Join us to celebrate

## Aadrika's Birth Celebration

Hawan

Birthday celebration: 21 July 2024 15:00 - 21:00

## Skarpnacks alle 60, Stockholm, Sweden

As you all know, Aadrika was born prematurely, which prevented us from celebrating her birth at the time. However, the opportunity to celebrate has finally arrived. We deeply appreciate the presence of our family and close friends on this special occasion.
