Subject: Information regarding receiving of Movable Property (Car) as gift from
Father-in-Law

Sir,

I have the honour to submit that I had joined Uttar Pradesh Nyayik Sewa in the month of Nov. 2019. I had no vehicle for commuting to Court. After my marriage in the month of June, 2021, my father-in-law Sh. Mridulesh Kumar Singh, former District Judge, Presently working as Presiding Officer, Debts Recovery Tribunal- III, Chandigarh, out of natural love and affection transferred his Ford Fiesta Car by way of gift.

The said Car bearing Registration No. UP90E3333, was purchased by my father from Authorized Dealer Swarn Ford, Kanpur and the same was registered in Banda District in February, 2010, where my father was posted at the relevant time. The said car was transferred to me by way of gift in the month of July, 2022 and the same was registered in my name.

Information is submitted for the kind perusal of Hon'ble High Court.

Yours Faithfully
