Re: Invitation to Mr Abhishek Tripathi for family visit

Dear Sir/Madam,

I, Nimisha Tripathi, working as a full time academic/Senior Lecturer at the University of Greenwich, UK, confirm that I am living in the UK since 2016 and have a skilled worker leave to remain visa (number RZ7957550).

I would like to invite my sister Mrs Bharti Tripathi, her husband (my brother-in-law) Mr Abhishek Tripathi and their child (my nephew) Shreyansh Tripathi for a visit to me from the 18th June to 27th June, 2024. I also confirm that this visit is towards a family get together. More importantly, my sister and her family will meet our 94 old uncle Mr Shambhoo Tiwari, who lives in 9 Aldegrove House, Geldeston Road, Clapton E5 8RZ, London. Our uncle is bedridden being very ill and wishes to meet my sister and her husband with their son. This visit will not involve any other activities, and my Mr Abhishek Tripathi will leave the UK with his family after the mentioned period.

The details of my sister and her family are:

1. Brother-in-law: Mr Abhishek Tripathi (Date of birth- 29/12/1984, Passport number:Z6563471)
2. Sister: Mrs Bharti Tripathi (Date of birth:22/04/1984, Passport number:W8799363)
3. Nephew: Shreyansh Tripathi (Date of birth:12/01/2020, Passport number:X4958100)

I would like to sponsor my sister and her family's visit, as a gift. In this respect, I would like to confirm that I will bear their travel, accommodation, and sustenance costs during their stay. The complete expenses will be incurred from my savings and will not involve any third party.

I also conform that I am legally living and working in the UK and inviting my sister and her family only for less than two weeks to visit me will not breach UK immigration law.

Should you need any further information, please do not hesitate to contact me.

Your faithfully,

Nimisha Tripathi
