

Respected Sir,

It is most respectfully submitted that presently I am posted as Additional District and Sessions Judge, FTC01, Farrukhabad. It is further submitted that prior to my selection in UPHJS 2020 Examination I developed a web based software using PHP / Mysql/ HTML and Javascript which helps to save notes and revise the subject of the UP HJS Exam. Currently this software is deployed by me on a domain name www.uphjsnotes.in , which was purchased by me in Dec, 2019. About 750 people are registered on this website. With the passage of time I have realised that certain new features are to be added in the software deployed at www.uphjsnotes.in.

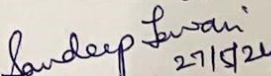

I want to add following features on this website:

- Personal Diary / Register of Case Laws which can be accessed any time on mobile and also it can be shared
- A social conversation layer over the PDF judgments of the Hon'ble Supreme Court and Hon'ble Allahabad High Court.
- Case law search using artificial intelligence of the judgments of the Hon'ble Supreme Court and Hon'ble Allahabad High Court.
- Order Sheet automation (A proof of concept is working live at http://134.209.152.159/interview?i=docassemble.playground1CourtOrders%3AST_ENGLISH.yml#page1)
- Various useful features which are useful for the day to day working in the District Court like Visitor Pass management System, Surety Verification System, E Portal to manage the services of Nazarat and Computer Section.
- Legal Awareness content management system which will be in tune with the aspirations of Legal Services Authority Act
- Add Continuing Legal Education / Software Programming Tutorial Video on above mentioned domain and Youtube.

The above list is not exhaustive and only indicative as the features are completely dependent upon the aspirations of the users and their valuable feedback. I will undertake the software development of the website only in my leisure time and it will not affect my working at the Court.

Wherefore, it is most respectfully prayed that I may be permitted to add features as and when required on my website www.uphjsnotes.in

Yours sincerely,

Sandeep Tewari
