# **Research and Development Cell**

The UGC launched an initiative to establish a Research and Development Cell (RDC) in HEIs with the mandate for promoting quality research that contributes meaningfully towards the goal of a self-reliant India ("Atma-Nirbhar Bharat"), aligned with the provisions of NEP-2020. The RDC would help create a research ecosystem for reliable, impactful, and sustained research output. The essential elements of such an ecosystem, viz., generation of knowledge and facilitation of research, innovation, and technology development for industrial & societal benefits, are addressed by human resource (researcher & faculty), intellectual capital (knowledge& skills), governance (regulation & policies) and financial resources (funding & grants). The Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur established the RDC on 03-12-2022 following the guidelines issued by UGC, India.

#### At present, Prof. Dinesh Yadav, Department of Biotechnology is Director of R & D Cell.

#### **VISION**

To coordinate and effectively manage research activities in the University and affiliated colleges

#### **MISION**

To facilitate and contribute to research activities in all disciplines so that they can lead to quality publications, innovations, research grants, and intellectual properties by faculty members, students, and staff of the University. Further, strengthening of Academia-industry collaborative research to address the local and regional problems.

#### **OBJECTIVES**

- To identify the priority research areas based on the expertise available in the University.
- To promote scientific temper in research.
- To seek research grants from different funding agencies.
- To provide adequate infrastructural support for conducting research activities.
- To initiate collaborative research and accordingly sign MoUs with Universities/Institutions of repute.
- To frame the research policy of the University.
- To provide adequate support for the protection of Intellectual Property resulting from the research activities carried out in the University.
- To monitor the research activities at regular time intervals.
- Linking teaching-research-extension activities.
