"You cannot change your future, but you can change your habits,
and surely your habits will change your future."

Late Dr. K. K. Bhatnagar
(16-8-1926 to 25-4-1990)

Late Smt. Rajwati Bhatnagar
(25-4-1926 to 15-8-2010)

The Trust was established in 1991 by Late Rajwati Bhatnagar in the memory of her educational founder Late Dr. K.K. Bhatnagar. The purpose of the Trust is to sharpen the acuity of the youth of our society in the right direction. This aim could only be achieved by educating the youth. It is the conviction of the Bhatnagar family that education provides the best tool to attain the primary level of higher education to children to provide education. The aim of the trust is to instill principles of service, nationism and brotherhood into the young Indian minds. The Trust has also been carrying out various other Social, National and Charitable activities.

Philanthropy, an entrepreneurial and Medical professional life in sync with

"A journey of a thousand miles may begin with a single step."

Love Ties

Dr. Mukti Bhatnagar, a dynamic, versatile, charismatic and results oriented person by profession is a Professor of Medicine and a teacher of high acumen and repute. She completed her graduation in MBBS and post graduation MD in General Medicine from R.D.M. Medical College, Allahabad. She is also specialized in Paediatrics, Gynaecology, Internal and Child Health, and Geriatric Medicine. She holds B.Sc. Honours in Psychology from Delhi University, New Delhi.

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

VISION

To be an internationally acclaimed multidisciplinary research intensive University that provides a holistic and transformative education to create educatedness and wellbeing along all the dimension of human life.

MISSION

- To develop good, thoughtful, well rounded and creative individuals by ensuring inclusive and equitable quality education and promote lifelong learning opportunities for all.
- Promote multidisciplinary learning through National & International collaboration and integration of technology, innovation and research.
- Realizing sustainable development goals through strengthening global partnership.

THE FOUNDER

The long awaited to realize his dreams was none other than Dr. Atul Krishna, who was still a sophomore year student of Medical College, Meerut at that time, armed with a post graduate degree in General Surgery, Dr. Atul soon set out to realize his dream which had already taken shape in his mind.

The dream was to establish such institutions of education and training that would produce highly skilled graduates and masters of academic excellence in every field and all aspects of life.

Accompanied with fore-vision, versatility, a genius mind and gifted with a vibrant and vivacious personality, Dr. Atul Krishna is not only a reputed surgeon of Northern India but is also a great philanthropist, a learned thinker, visionary and a committed, staunch social reformer, dedicated to the upliftment of the down-trodden and weaker sections of society. Dr. Atul Krishna is the visionary who spearheaded the Balbharti Movement and established MHT's Religious and Charitable Trust (formerly known as Subharti Killi Charitable Trust), a duly registered body, engaged in social service and various other activities. He has also established several primary, secondary level schools and rural hospitals in the remote villages. Dr. Atul is not only an ardent follower of Indian culture but also a confirmed patriot. He is regarding himself as bringing people together by removing hatred and riling out of communalism and communalism, spreading love and brotherhood, building up a moral and national character along with a sense of mankind so as to make his dream of "Vasudhaiva Kutumbakam" come true. <http://www.vikramshilainstitutes.com> (exclusive view for a new user).

*To Instil Principles of Service,
Nationalism and Brotherhood into
the Young Indian Minds*

Prof. (Dr.) Atul Krishna
MS (Surgery)

MESSAGE

Dream while you are awake and to achieve the same, put lot of stake. Education is the first step towards making people aware of their rights and responsibilities for their duties. This University was established with the vision of making young Indians not only professionally sound but also motivated individuals, who are inclined towards not just building their careers but making their parents and wives proud and, by nurturing their educational and moral values.

"गृह द्वारा श्रेष्ठ" our motto is based on the national and moral values and ethics with which the university was established.

Today, after the long struggle and overcoming many hurdles, I am proud that Savitrambhi Venkateswaran Sathguru University is the only one of the most reputed Universities of Maharashtra, but has also established itself in the top ranking Universities of India, and awarded A+ accreditation by NAAC. I am confident that soon, we will be in the international educational map and be known for our unique combination of values and academics.

Till date, we have left no stone unturned towards our strive for excellence and will keep working towards perfection.

With Best Wishes

SWAMI VIVEKANAND

WHO WE ARE !

SWAMI'S IS A MEMBER OF SERVICE to provide basic necessities of life such as Health and Education to everyone without any discrimination of caste, class, religion or any other social factors. By helping Schools, Colleges, Hospitals, Orphanage and various Charities.

SWAMI'S IS A MEMBER OF SERVICE aims and objectives in its service is to help the society in creating harmony among people and to develop their character and to enable them to realize the worth of their life and to fulfill their ambitions.

SWAMI'S IS AN EXPRESSION OF OBELISK in these modern times, there lies no harmony, equality and independence of man and his basic rights are being violated.

The word "Swami" is derived from Sanskrit which means "One who has given up all". It is also derived from the name of the founder of the Swami Vivekananda Ashram - Swami Vivekananda. The name "Swami" is derived from the name of the founder of the Swami Vivekananda Ashram - Swami Vivekananda.

On the 1st March 2008, the Society registered under the Societies Registration Act, 1860 with the Government of Bihar, Presidency of Bihar on 25th March 2008.

COLLEGE PROFILE

Subharti Nursing College was established in 2001 in a 2.5-acre plot of land in Greater Noida, situated in the heart of nursing education in North India. It has been recognized as a HIGHER EDUCATION DEPARTMENT OF MEDICAL EDUCATION & RESEARCH, Ministry of Health and Family Welfare, Government of India, responsible for training entry level nurses and midwives to the system. Panna Dhai Mata Subharti Nursing College has received continuous feedback, reviews and the latest recognition to support modern nursing education. The college is committed to teaching students to make them the needed skilled Human Resource through forward thinking methods, which is supported by its modern, expert & IT enabled facilities and equipment available infrastructure, providing a safe and secure environment to teach and learn. The college offers a wide range of courses including B.Sc. Nursing, B.Sc. Midwifery, B.Sc. Nursing & Midwifery, Diploma in Community Health Nursing, Diploma in Maternal and Child Health Nursing and Diploma in General Nursing. The college has been equipped to meet modern changes and challenges. Our present students are from rural and urban areas. We offer students pure and holistic education and guidance, to live well being at our community. After 19 years of hard work from the college have contributed towards education and secured excellent placement. In the year 2010, the college has been awarded the Best Nursing College in the state of Uttar Pradesh. The college is also involved in providing technical services and are recognized as a centre in the field. It also has strong emphasis on communication and media networking.

WHY TO CHOOSE US?

- Pioneers in nursing education since 2001
- Param Hospital - 100 beds for Clinical practice
- Care Health centre for Community practice
- Virtual Classroom to get connected with national and international lectures
- In house library with around 1800 books and online and international journals
- E-library facility
- Highest qualified teaching faculty
- Academic Partnership Programs

- National and international students which facilitate a economic exchange programme at reputed hospital teaching institution
- Condo Table student accommodation
- Yoga Hall
- Medical and dental courses
- Placements in best of other hospitals in recognition of maintaining high academic quality in Nursing Education
- Confidential service in community health nursing
- Opportunities in USA to be part of nursing with Study Visa
- Challenge - Nursing Home - 40 plus activities

PRACTICAL TRAINING OPPORTUNITY

- Chennai-based Apollo Rukmini Hospital (Parent hospital) with 800 beds for clinical practice.
- Lalgudi Hospital [affiliated] for clinical practice.
- Muthu Hospital [affiliated] for clinical practice.
- Glorious Women's Hospital, Meenakshi [affiliated] for NGO training.
- District government hospital Meenakshi Medical Health Training.
- Community center Venkateswaran Hospital.
- One Health, a gender sensitive field experience.
- Community Health Experience from various Government Health centers.
- Government and Community Health Centres (Kanchipuram and Tiruvallur).
- Veterans of Primary Health Centre Jaffna & Vavuniya.

PLACEMENTS

- 100% placement assistance in all Nursing Courses.
- Majority of students get placed in Community Health Centres (CHCs).

OUR PLACEMENT PARTNERS INCLUDE (ON & OFF CAMPUS)

- CSSA Hospital, Meenakshi
- Lalgudi Hospital, Meenakshi
- Parthasarathy Hospital, New Delhi
- Cloud Nine Maternity Hospital, Madurai
- Arignar Anna Hospital, Madurai
- Apollo, New Delhi
- KIMS Hospital, Chennai
- CH Health Care, Delhi

ACHIEVEMENTS & AWARDS

Academic Achievements

- Placement was organized in collaboration with various corporate and reputed hospitals like Apollo Hospital, Jupiter Hospital, DMK Matricine and Apollo Doctors, Delhi NCR.
- Students were selected in the cadre of Cadets of Health Officers (CHOs) under WHO and State Nurses in Medical Colleges and staff nurse scenario.
- Job opportunities for graduates and participation in arts, high international award winning arts teaching institutions like the United Kingdom, United States of America, Canada, Ireland and the Gulf countries.
- Total 76 job offers came in the academic year 2013-14 & 2014-15.
- 3 Internships and 4 Cooperatives.
- Chapters - N. Books - 2
- Dr. Shanti Parvathini as a reviewer of textbook - Foundations of Nursing - Wolters Kluwer Publishing.

Conference/Workshop/Guest Lectures

- 1 International Conference, 2 In-service training programmes were conducted.
- 10 Intra-institutional seminar were conducted in different branches.
- 3 Faculty development programmes, 1 training programme for health professionals.
- Many free take training program under QFEST.
- 9 faculty members served as resource person in International/ National conferences.
- 10 Student Special Seminar conducted in different topics.

2018 RELEASE UNDER E.O. 14176

The results from the present study are consistent with those of previous studies. But additional research is still needed to further evaluate the pressure changes in the human body during different types of decompression. In addition, the decompression rate and decompression pressure changes in the human body are not yet fully understood, and further research is required.

Phenox is a producer, distributor, licensor, importer and exporter of drugs and pharmaceuticals, and is present in many foreign countries with representative offices and its own or third party distribution networks, and has a considerable presence across Brazil, as well as investments and distribution agreements in Argentina, Chile, Uruguay, Paraguay, Mexico, Costa Rica, Panama, Colombia, Venezuela, Ecuador, Peru, Bolivia, and Brazil.

第十一章 财务管理

Having the right college that suits your career aspiration is key to the career objective because your parents have to make the right decision and not the wrong one which may bring you the right education but not the right career. It is important to identify your interests, hobbies, and passions to help you choose the right college that will provide you with the right education and skills needed for your future career.

OUR VISION

Subharti Institute of Engineering & Technology is globally recognized, where learning and research are carried out in line with high level technical knowledge, skills, thereby achieving a truly global vision.

OUR MISSION

To emerge Faculty of Engineering & Technology as Center of Excellence offering Technical Education and Research, committed to the success and translates them into closed faculty curriculums and openning world horizons for the nation.

HIGHLIGHTS & SUPPORT SERVICES

- The Institute has planned advanced training infrastructure such as Digital Classrooms, State-of-the-art Laboratories, NCF-ready Human Resource, Training and Placement Cell, Well Equipped Library.
- The Institute commits itself to –
 - Reassuring students with the necessary skills for success in the engineering.
 - Reaching knowledge to students at all levels including undergraduate students.
 - Discovery of new knowledge through innovative research that emphasizes entrepreneurship and economic development by setting up global centers.
 - Involvement and collaboration on a community needs basis from research and following ethical, environment friendly responsible engineering practices.
 - Excellent infrastructure and facilities.
 - Dedicated and well qualified faculty members.
 - Advanced ICT based e-learning facilities and ample facilities in line with learning process.

In the Memory of Chhabapati Shahji **SUBHARTI INSTITUTE OF TECHNOLOGY & ENGINEERING**

FACULTY OF ENGINEERING & TECHNOLOGY

MESSAGE

Education is a way of life and growth process and it is also true that there is no better education than education which is based on experience. Hence we have to make our education system more practical and productive to prepare our students for the future. The world today is witness to the evolution of more advanced technologies, which are being adopted and being modified across the nation. The future will have a greater role to play, especially the younger generation has to be made of handling general development of education in the field, social and family aspects of the environment of the students.

We at Faculty of Engineering & Technology believe in continuous learning, practical knowledge, creative and innovative research and development. We also believe that every new day and every step forward, we move towards a better tomorrow. Every effort is to train the students to be their best selves, who can bring positive contributions to the world. We believe that our students are going to become the leaders of the future. We want our students to be successful in their careers. We want the young generation to be successful in their future. We want our students to be the future leaders of our nation. India and its people will be our strength and our pride to reflect the values and ethics of our country and the most important is to be ready for education and learning.

TRAINING AND PLACEMENT CELL

- Personality Development Program.
- Communication Skills Program.
- Group Discussion Program.

PROF. (DR.) R. K. GHOSH
Dean-FOMC & Director-SVBCMC

VISION

Our vision is to develop competent and ethical Indian-ready managers and entrepreneurs in consonance with the present trend of the university. We endeavor to be a centre of excellence through multidisciplinary, interdisciplinary & transdisciplinary academic approaches.

MISSION

- To impart quality education with an emphasis on Indian values.
- To create an atmosphere conducive to free environment through multidisciplinary & interdisciplinary learning.
- To ensure the holistic development of students through the balanced blend of academic and extra-curricular activities.
- To focus on sustainable development of students through various co-curricular activities like the placement & global liaison and by maintaining a strong academic-industry interface.

FUTURE PROSPECTS

Immaculate career options for Management Graduates, to get absorbed by esteemed companies all across the globe such as:

- Business Managers - HR-HRISHRMERS - Marketing Managers - Product Analysts - Administrators - Business Analysts - Risk Managers - Investment Analysts - Management Consultants - Human Resource Managers

PRACTICAL TRAINING OPPORTUNITY

- Green Marketing Management
- Black Money Management
- Family Business Management
- Corporate Management

In the Memory of Acharya Visweswar Gupta SUBHARTI COLLEGE OF MANAGEMENT & COMMERCE

FACULTY OF MANAGEMENT & COMMERCE

ACHIEVEMENTS & AWARDS

International Conference on Management, Marketing & Entrepreneurship by Dr. Pawan Agarwal, International Speaker.

- Management & Entrepreneurship Award given to Prof. Dr. R. K. Ghosh.

- National Seminar on Entrepreneurship in Management Studies.

- SVBCMC has been ranked 2nd among the top 100 universities in India by the Times Higher Education (THE) University Survey in 2020.

With over 2000 students of Faculty of Management & Commerce, we offer various courses.

BEST PAPER PRESENTATION AWARD

Prof. (Dr.) R. K. Ghosh has been associated with the Best Paper Presentation Award for his research paper "A Case Study Evaluation of Marks Trading Company (India) Ltd." presented at the "International Research and Academic Conference organized by "Parampara Mahavidyalaya" VITM, Vellore, Tamil Nadu, India, dated 20-21 July 2020".

HIGHLIGHTS & SUPPORT SERVICES

[A] Our Pedagogy & User-based vs. Job-based developments

- With its six new centers of learning in its affiliated 45+ centers spread across the 22 states it is spread across, 20,000 lateral students (new students) have participated in degree by itself, govt./govt., govt./private, 200+ courses have been introduced and over 15,000 students are learning from its platforms.
- Special Modules for ICARIEC** - Developed for super 30 to introduce and train over 200 future young leaders of India via a 3 month intensive program. Special modules include the analysis of implications of innovation, leadership and life in agriculture. A special module uses analysis of a case to train in areas of social management, communication skills.
 - India Prep Techniques** - The unique 5 step steps is used to align with the educational industry's physical environment.
 - Programmatic Classes** - Classes made to stimulate students' cognitive system to manage better for long periods of time.
 - Online Learning Platform** - The online platform makes the system available in its domain so that learners can access course materials.
 - Panel Discussions** - These consist of one student who discusses the learning areas. This is open to students to propose discussions on various topics and interests. The students who know more on different topics will connect with others to work on them in their field of interest.
 - Management curated Model** - References and research papers on various topics are released through management personnel who are who's who in their field of expertise, with the students to work on these areas.
 - Local Initiatives** - Programs run by students at the grassroots level, where students can share their ideas and opinions. There is a central hub for local initiatives that can be shared by other students, and to receive feedback.
 - Management Panel** - A group of experts in parts of an organization comprising of 20+ individuals. To cope with the increasing competition, students have to be present in available positions. By creating a platform for students to showcase their interest in areas of choice like Capstone projects, etc.
 - Campus Outreach** - It is done by students who are interested in contributing to their college's community and also to contribute to their local area with their skills, hobbies, interests, etc.
 - Scholarships** - Scholarships are given to students in the form of 50% tuition fees for engineering students. Non-farming students may apply for the amount of Rs. 1000/-
 - PGDM Admissions** - In any case, students can apply to our various colleges and universities. PGDM admissions can be applied in various colleges and universities.
 - Shell Scheme** - Program for BEd students to support them to teach in government schools against social criteria through intervention costs and training fee budgets of the job with a 60% scholarship.
 - India's Best Student** - Various students around the world may be chosen to represent their country and also to represent India for other countries like Europe, Australia, America, etc.
 - Placement Initiatives** - Initiatives are organized by providing the institute of recognized students by law, such as working with its leading organizations.

Industrial Collaboration with

PROF. (DR.) S.G. THALEDI
Head of Department

Media is one of the most important sectors of our economy. We believe in learning from different writing styles. People can be effective journalists if they have a desire to communicate news of various genres. It is very much essential to increase organized students for the arts and media students to be a content in mass media.

The primary aim of the department is to train a batch of students in various streams related to journalism with a broader focus, journalistic ability, broad knowledge and awareness about a range of issues related to day-to-day life. The primary focus of employing the various fields of mass media studies will be considered. Theory of newspaper, Journalism & Mass communication with a critical, analytical and objective "newspaper perspective" that enables the young media professionals to keep up with the demands of the dynamic world of journalism and Mass Communication leading changing world.

VISION

To provide value based learning, training to skilled media persons having spirit of business with global standards.

MISSION

To impart universal knowledge based education to students in the field of journalism and mass communication, who disseminate information and spread awareness to public, while focus on the basic development of values, attitude, service to humanity and strengths. The institution aims to make students:

ACHIEVEMENTS & AWARDS

Achieved a Copper Medal in "SAIRE MODEL" – Impact of Advertisements in Social Networking Sites by Dr. Krupali Shirore, Associate Professor, Department of Journalism & Mass Communication.

MESSAGE

I welcome you all at Department of Library & Information Science. Library Science is an interesting field which has by now witnessed a lot of development & progress in the course of time. It deals with step by step expansion of human society at every human experience. Today Human Resource management goes apart from Library and Information Science. It provides our students, various opportunities to provide them the maximum facilities helping them to become successful entrepreneurs.

VISION

Ensuring apt & illiterate & information science education, inspiring the students with latest trends and educational techniques in library and information science.

MISSION

The Mission of the Department is to provide a meaningful educational experience that makes our students competitive & employable, and prepare students to produce the best in their field of communication leading international standards.

HIGHLIGHTS & SUPPORT SERVICES

- Self Equipped Computer Laboratory
- Departmental Library (Ref. Books & Journals)
- E-Library
- Audio-Visual Room
- Seminar Room
- Conference Room
- Students Experimental Laboratories & Workshops

AIM

The aim of the department is to prepare library professionals & to equip them with the latest educational knowledge & technologies.

FUTURE PROSPECTS

The prospective demand of M.L.I.S. courses have lot of scope for career development in library science. There are many remunerative employment opportunities in the following areas:

- Government & Public Sector
- Other Organisations and other Academic Institutions
- Private Companies and Organizations
- Central/State/Local and Various Lib. Com.

- Library Services
- Information Services
- Reference Services
- Cataloguing Services
- Special Collections
- Economic Services

In the Memory of Raja Kumar Singh SUBHARTI DEPARTMENT OF **LIBRARY & INFORMATION SCIENCE**

FACULTY OF ARTS & SOCIAL SCIENCES

The Department of Information Technology comprises the faculty of the department, the students and the teaching staff. The faculty consists of 13 permanent faculty members and 10 non-teaching staff. The Department was established in 2003 with 30 member strength, which has increased over the years. The department is well equipped with modern facilities and infrastructure. The department has been granted the status of a research center by the University of Lucknow. Prof. Sudhir Tyagi, Head of the Department, has been invited to speak at the inauguration ceremony of the Department of Information Technology, Panjab Engineering College, Chandigarh.

At present, the faculty of the department consists of 10 permanent faculty members and 10 non-teaching staff. The teaching staff consists of 10 permanent faculty members.

The department has been granted the status of a research center by the University of Lucknow. Prof. Sudhir Tyagi, Head of the Department, has been invited to speak at the inauguration ceremony of the Department of Information Technology, Panjab Engineering College, Chandigarh.

ACHIEVEMENTS & AWARDS

The Department has organized various programs including the following:

- Organized the first Library Day on 1st January 2014.
- Organized the first Book Fair on 1st January 2014.
- Organized the first Library Seminar.
- Organized the first Inter-departmental competition.
- Organized the first International Conference on Library and Information Science.
- Organized the first International Conference on Library and Information Science.

The year 2014 was declared as the Year of the Indian Library by the Indian Library Association.

The year 2015 was declared as the Year of the Indian Library by the Indian Library Association.

The year 2016 was declared as the Year of the Indian Library by the Indian Library Association.

The year 2017 was declared as the Year of the Indian Library by the Indian Library Association.

Explore the Path of Wisdom and Enlightenment

Welcome to the Samrat Ashok Buddhist School of Buddhist Studies, a place where the ancient wisdom of BuddhaHood meets modern education. Our school is committed to nurturing a safe and inspiring environment for students interested in the profound teachings of Buddhism. Our dedicated faculty of 12 professors and 200+ students from around the world is here to guide you on this enlightening journey.

OUR VISION WITH A MISSION

At the Samrat Ashok Buddhist School of Buddhist Studies, we aspire to be recognized as the international hub for Buddhist and Dharmic studies learning and research. Our mission is to help our students develop into experts in Buddhist academics but also imbue the values of Buddhism in their lives. We aim to instill compassion, spiritual and intellectual leadership, problem-solving abilities, dedication to the dharma, and a commitment to social well-being.

The Bodhi Library - A Place of Serenity

Hidden within our campus, the Bodhi Aayogangal is a tranquil oasis that invites study, exploration, and reflection.

The Bodhi Tree - A Living Symbol

Our campus and study halls are adorned with trees over a century old, honoring the tree under which Siddhartha Gautama, the Buddha, found enlightenment. The heart-shaped leaves scattered in the Bodhi grove create positive energy.

In the Memory of Samrat Ashok SUBHARTI SCHOOL OF BUDDHIST STUDIES

HIGHLIGHTS & SUPPORT SERVICES

- Exclusive Meditation Hall to renew your self - the ultimate atmosphere of our dedicated faculty and students.
- Multiple Library Areas: Access to extensive digital and print resources and specialized collections.
- Academic Support Team: Dedicated to providing the best educational experience and success of our students via regular check-ins and consultations.
- MUNI NIDHI: A dedicated scholarship program for students from economically disadvantaged backgrounds to pursue higher education.

The Buddhist Academy - A House of Knowledge

With concentrated 3-month stays in the Bodhi Grove, interspersed by a 10-day course meditation hall, providing a peaceful environment for spiritual practice.

The Meditation Hall - Inner Peace Awakened

A fully air-conditioned meditation hall with capacity for 30 individuals offers a serene space for regular meditation and silent cushion retreats.

The Library & Library - A Treasure trove of knowledge

Our international library houses an impressive collection of books in multiple languages, including English, French, German, Chinese, Korean, Thai and Lao perspectives, attracting scholars and researchers from around the world.

Globe-roaming Professors - Strengthening knowledge exchange

We have established Memoranda of Understanding (MoU) with renowned institutions like Sungkyunkwan University (South Korea), Mahayana Institute (Hong Kong), Lumbini Buddhist University (Nepal), and others, fostering global cooperation in Buddhist studies.

Resounding conferences, events, and lectures series.

Our school hosts a variety of enriching events, including the Buddha Purnima festival sponsored by the Ministry of Culture, India-Peace Walks (Peace, Chanting, and Poems for International Buddhist Sangha), and a global guest lecture programme and experts.

IPB's Academic

What sets IPB apart is that our commitment to academic excellence is evident in our research programmes.

A Diverse Community of Scholars

Join us at the Buddhist Academy, an enriched Buddhist Studies and research centre that hosts a variety of scholars, guests from India, our students come from diverse backgrounds, including Thailand, India, Laos, the UK, Vietnam, the Netherlands, and Myanmar, creating a vibrant and culturally stimulating environment.

Come to us to transform your journey of self-discovery, wisdom, and enlightenment! Let us

OUR VISION WITH A MISSION

To empower students with skill based knowledge and make them professionals ready to work so that they can excel in all fields and become a successful professionals.

FUTURE PROSPECTS

- Polytechnic courses offer diversified career opportunities in different professions. Major branches include Basic Civil Engineering, Computer Science & Engineering, Electrical Engineering, System Engineering, Electronics & Instrumentation & Telecommunication Engineering under Diploma studies in vocational examinations. Students here undergo an intense education which is accomplished after curriculars like Practical training, Internships and projects. Practical exposure helps the students gain more advanced knowledge in their educational areas, further, will earn more career success in their future.
- Opportunities arise from a student's access to various government schemes, Scholarships that provide either P.G or Private sectors. This will help a student to gain experience in their field and earn money through part-time or the fees of their courses and their work.

PRACTICAL TRAINING OPPORTUNITY

All time well established lab in Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Electrical Engineering & Mechanical Engineering by which Practical training gives a practical knowledge to the students in Civil Engineering and other subjects.

DIRECTORATE OF DISTANCE EDUCATION**

PHOT. (144) MAHENDRA CHAND
Director

Subharti University has introduced various degree programs in its distance education mode which includes courses in Management, Engineering, Law, Education, Hotel Management, Nursing, Pharmacy, etc. The courses are designed to meet the needs of students who are pursuing their studies from a distance without being physically present at the university. The courses are offered through a combination of online and offline modes, providing flexibility and convenience to students. The courses are taught by experienced faculty members who have extensive knowledge and experience in their respective fields. The courses are designed to provide students with practical skills and knowledge that are relevant to the real world. The courses are also designed to be accessible to students who are working or have other responsibilities, making it easier for them to pursue their studies. Watch an interview with Mr. Amit Kumar Verma, Director of Trans India and Partners Ltd. on how the company has been able to manage its growth in the market and what are the challenges faced by the company in the future.

View Now

Mr. Amit Kumar Verma is the managing director of Trans India and Partners Ltd. He has over 20 years of experience in the industry and has been instrumental in the growth of the company. In this interview, he discusses the challenges faced by the company in the current market and how they are addressing them. He also talks about the future plans of the company and the steps they are taking to ensure continued growth and success.

AMIT KUMAR VERMA,
DIRECTOR

Plan Again

Trans India and Partners Ltd. is a leading provider of business solutions and services in India. The company offers a wide range of services including consulting, software development, and IT outsourcing. It has a team of experienced professionals who work closely with clients to understand their needs and provide tailored solutions. The company has a strong focus on quality and customer satisfaction. It has a network of offices across India and has established itself as a reliable partner for many clients. The company's success is based on its commitment to innovation, quality, and customer service.

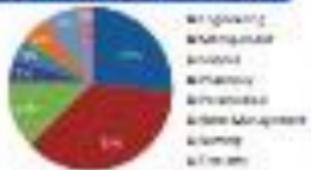

The Future of Business Prospects

The future of business prospects looks promising. There is a growing demand for technology and automation, which will drive the growth of the industry. The company is well-positioned to take advantage of this trend. It has a strong focus on innovation and research and development, which will help it stay ahead of the competition. The company is also expanding its operations, both geographically and in terms of services offered. This will allow it to serve more clients and increase its market share. The company's commitment to quality and customer service will continue to be a key factor in its success. Overall, the future of business prospects looks bright for Trans India and Partners Ltd.

Future Prospects for Growth Opportunities

- Expanding Services:** To meet the demand for various services, including consulting, software development, and IT outsourcing.
- Innovation:** By investing in research and development, the company can develop new technologies and products that will set it apart from its competitors.
- Global Expansion:** By establishing offices in different countries, the company can reach a wider customer base and increase its market share.
- Partnerships:** The company can form strategic alliances with other companies to expand its operations and access new markets.

RESEARCH PROFILE OF THE UNIVERSITY

Rajiv Vira Vaidik Patel University is a research-oriented university that considers research to be an integral component of education. Since the university's inception, our goal has been to promote and facilitate quality research. We encourage research at all levels of students, faculty, and staff, including in-research, individual, collaborative, and interdisciplinary research.

Research and Development Cell: The University Research Council, which is currently chaired by the Honorable Chaudhary Vasudev, a Research and Development Cell, the primary function of the Research and Development Cell is to improve the university's research profile by integrating scientific, university research and innovation culture, research plans, implementation, and examine research-related policies. To strengthen the research ecosystem, the university looks to major research units, the Central Research and Innovation Center and the Central Research Platform, as well as three college-based incubation cells and an entrepreneurial cell, all of which are overseen by the University's Research & Development Cell.

"State-of-the-art" Infrastructure and Student Support Services*

*It is almost a difficult choice, no question there is more to our children regarding their careers, it is the ideal institution to choose the right one for their child. In its very competitive world of today, it is the excellence of the faculty, the quality of the curriculum of choices, but the fact is that the time has been set to be exposed to extra-curricular activities in a school environment. The appropriate support services can't be ignored.

EDUCATIONAL infrastructure is just as essential as class time to ensure that a child receives a foundation for a successful education of any student.*

Below are the facilities available in our Hospitals:

- Separate Blocks for Boys and Girls - **2nd Floor Library** - Books on computers through N.I.T system. **Alumni Memorial Hall** - An auditorium designed to seat 1000 people and can be used for many purposes.
- **Hospital & Infrastructures** - All changes and facilities are available - **Administrative Block** - **Medical & Clinical Block** - **Teaching Block** - **Interpretation Room** - **Guest House** - **Guest Kitchen**, **Guest Dining Hall** - **Guest Auditorium** - **Guest Laundry**.

*Institutes and academic wings available - **Medical & Dental College** - **Engineering Faculty** - **Post Graduate Faculty** - **Technical Team** - **Guest Faculty**, **Guest Clinics** etc.

Hospitals : There are 10 Hospitals including 2 H.H. Seebha Miller Hospital Campus. The hospitals include an adult wing of 4000 beds, All aged from a neonate section and also a pediatric section. 3 H.H. Seebha Miller Hospital of the hospital is separate from the university for working students and medical students.

Library : Books and e-books from around the world are available in the International & National library, equipped with audio visual. The University has 2 Central Libraries among the top 100 number of programmes being run. A Central Medical Library and a Central Non-medical R.S. Oshwal Library. Both libraries are completely air-conditioned and equipped with audio visual, e-resources with National and international collection of books and journals. Sathym University has a total of more than 500,000 books, 300 National & International journals and approx 1000 R. journals.

Relationships : The University has been established under the trust. By Dr. M. P. Joshi provided financial assistance which are enough, but are not fully utilized their studies due to financial constraints.

Booking Hotels : The University offers an excellent selection of places to stay within the University campus. The University Annex & Conference Hall offer all-inclusive services ranging from India to Conference, classes, parties and other functions in a modern and hygienic environment with 24x7 ICU facilities for 60+ beds.

24 hours of food delivery and drugs are already provided. Any student need anything, according to taking drugs or emergency services 24x7 to 09899947454 and 09899947455 with the strong passion to our patients' safety motto.

Security Services : University employs a 24x7 night and 24-hour security services for the safety & security of students. There is a special security service team for night shifts with a supervisor's helpline number.

Medicare Department : This is very popular towards 1400-2314 of not 1400-2314. The campus has a Medical and a Dental Hospital with a 24 hours emergency and ambulance service. The services are excellent for a basic check up as soon as they join the college and take no less than a week. They are provided the kind of services. Staff, the Hospitals are equipped with latest & most modern equipment required for basic patient care.

SPECIAL COMMITTEES : have been formulated for the benefit of the students

Anti Ragging Cell : As such the culture of ragging which has assumed a noisy base mainly among upper class students and cropping up in all educational institutions for the last few years.

Disabled Citizen Welfare Committee : To assist our students, better values & humanistic culture are to be adopted a resource center for the training of disabled and the handicapped.

Anti Intoxicant Committee : "The saying goes in every camp, "To control & curtail our students' spirit of ragging where it exists we initiated a committee to help reduce their bad habits of drinking & indulging in alcohol." See Photo 12.

Career Counseling Cell : "Planning for the future demands strength, whether it is in the top of Mount Everest, or in the deep sea, career at Rishi University has a great impact to provide career counseling at every stage of their career to our students to select a suitable professional life."

Wellness Center : Considered as a center dedicated to the health promoted by expert, concerned to entire students taking care of academic and extracurricular interests. Services of a wellness center approached to meet physical & emotional well-being to the students and make them healthy to carry out their studies.

Protection against sexual Harassment of women Cell : "Women is not for the security & protection of men, but for herself who deserves to live in peace on this planet and not to be harassed by others, women are also have right to security & personal freedom for themselves." There are two important premises in the Kennedy Campus with top Sports Facilities including the Following:

interior view of sports facilities

- Football Ground
- Cricket Ground
- Hockey Field
- Handball Field
- Badminton Courts
- Baseball Court
- Volleyball Courts
- Basketball Court
- Table Tennis Room
- Covered Chess Room
- Shooting Range

Visit of Dignitaries

ABOUT MEERUT

Meerut is an ancient city located in the northern part of the state of Uttar Pradesh in India. It is known for its historical significance and is one of the most visited cities in the state. The city has a rich history and is home to several important landmarks, including the Meerut Cantonment, which was established in 1803. The city is also known for its vibrant culture and is a major center for trade and commerce in the region.

GLOBAL RECOGNITION AND INDUSTRIAL IMPORTANCE

Meerut is the fifth largest industrial center in the world. It is the 10th largest manufacturing city in India. A recent report by JLL, the real estate services firm, ranked Meerut as the 10th most populous urban agglomeration and the 20th most populous city in India. Meerut is also one of the leading industrial centers for the production of sugar, cotton, and chemicals. The city is home to the largest producers of sugar in India, the second largest producer of cotton in the country, and the third largest producer of chemicals in India. It is also the second largest producer of polyester and viscose in the world.

CONNECTIVITY AND TRANSPORTATION

Meerut is well connected by road and rail. It is located just 20 hours of bus from the Indira Gandhi International Airport, New Delhi. By the Delhi-Meerut expressway, Meerut is connected to the national highway 24. It is also connected to the national highway 109 and the national highway 24.

INDUSTRIAL AND COMMERCIAL SHOPTIME CENTERS

Meerut is a city where you can find modern as well as traditional markets, and many multi-level shopping complexes with all types of branded departments or outlets of shopping needs can be witnessed throughout the city. In and around the city, there are many shopping malls, including the Subharti Group of Malls, which is one of the leading shopping malls in the city. There are many shopping complexes, malls, hypermarkets, and shopping centers in the city.

MANUFACTURING

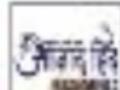

Meerut is often described as the hub of textile production in Northern India. It is known for its large number of textile mills, including the Subharti Group of Malls, which is one of the leading shopping malls in the city. There are many shopping complexes, malls, hypermarkets, and shopping centers in the city.

EDUCATIONAL INSTITUTIONS

Meerut is often described as the hub of education in Northern India. It is known for its large number of educational institutions, including the Subharti Group of Malls, which is one of the leading shopping malls in the city. There are many shopping complexes, malls, hypermarkets, and shopping centers in the city.

RELIGIOUS SITES

Meerut is a city with a rich history and culture. It is known for its many religious sites, including the Subharti Group of Malls, which is one of the leading shopping malls in the city. There are many shopping complexes, malls, hypermarkets, and shopping centers in the city.
