23/7/24	I, Dr. RUDRARPAN CHATTERJEE, ASSISTANT PROFESSOR, presently posted and in the Department of Clinical Immunology, SGPGI, Lucknow, have personally examined Smt Vimla Tiwari, mother of Shree. Manoj Kumar Tiwari. She is diagnosed with ANCA associated vasculitis, with renal failure, diffuse alveolar hemorrhage and Scleritis. It is threatening to her kidneys, lungs and eyes. Hence, she needs regular tests, treatment, hospitalisation, frequent follow-up at regular intervals. Her treatment is currently going on in Clinical Immunology, SGPGI, Lucknow. She needs treatment for longer duration. Her treatment is available in SGPGI, Lucknow.	

Dr Rudrarpan Chatterjee
