Subject: Request regarding transfer/Posting near Delhi./Mercy Appeal.

Respected sir,

It is most respectfully submitted to your kind self:

- 1.That the applicant is presently posted as Additional District and Session Judge(Fast track court) at Ghazipur.
- 2.That the applicant is the only son of my parents. My mother is seriously suffering from Chronic Kidney disease.Her Kidneys are not Functioning. She is on regular Dialysis. She has to visit Hospital twice a week for 5 hour session.
- 3.That there is no dialysis centre at ghazipur nor any specialist doctor. Medical facilities at ghazipur are in a very sorry state. That is because of this reason she has to live in noida.
- 4.That applicant's father is also an old age person.He himself need my attention and care. He alone can not take care of my mother along with three children who are also living with them. It is getting very hard for him to manage all the family affairs. One can understand the mental situation of my father as well.
- 5.That my mother's Health is getting deteriorating day by day and anything can happen any day. She is also losing hope. Applicant is posted nearly 800km away from my parents. It would be nearly impossible for me to reach in case of emergency. I am finding myself helpless to support my family.

6. That it is humbly and with folded hands requested that the applicant May be transferred and posted either on regular side or on deputation near Delhi so that i can at least meet an emergent situation .

7. That I along with my family would always be grateful to you forever for this kind Gesture.

8. That it is also prayed that opportunity May kindly be given to represent my case in person before the Hon'ble Chief Justice of Allahabad High Court.

9. That it is once again requested to consider my case sympathetically . This may also be treated as mercy appeal for the life of my mother.

Thanking you,

Yours Faithfully

Durgesh
