10. Grounds in support request :

This is the very first application of my entire judicial career for premature transfer. I belong to district Meerut, my mother is an old lady and suffering from many old age related ailments. She needs regular care and protection in this old age, my father is no more. I am posted in Deoria that is almost one thousand Km. away from my home district, there is no direct train to my home district from here and in case of any emergency it is almost impossible for me to reach my home timely. My mother does not want to leave the paternal house due to her emotional attachment to that house, so it is not possible for me to bring her here in Deoria. Therefore, kindly transfer me anywhere near my home district so that I may be able to take care of my mother in her old age.
