**Subject:-Representation regarding one year extension on completion of normal tenure of three years.**

Respected Sir,

With utmost humility at my command on the above noted subject the undersigned applicant most respectfully submits as under :-

- 1- That I am due for transfer this year on completion of my normal tenure at Bareilly judgeship. In this respect I beg to submit that presently my mother 65 years age living with me and recently she had serious nasal bleeding and severe headache and she was diagnosed at hospital for Epistaxis and hypertensive emergency with high blood pressure, after preliminary treatment doctors apprehended that this could have lead to brain hemorrhage and have suggested that continuous monitoring of this situation is needed for about 8 to 9 months.

2- That apart from above she is also undergoing treatment for her serious chronic knee pain in both legs and doctors here at Bareilly have diagnosed her disease as Osteoarthritis. She is unable to walk properly and doctors after analyzing her condition have advised for knee replacement after three months of medication, after transplantation they have suggested that follow up treatment for 6 to 7 months will be necessary. On the above ground I request the Hon'ble High Court to grant me one year extension of the normal tenure.

Therefore it is most humbly prayed that your honour may most graciously be pleased to extend the period of my posting at Bareilly by one year. For this act of benediction I will be highly obliged.

With regards,

Yours faithfully
