

To,

The Registrar general,
Hon'ble Allahabad High Court.

Through,

Ld. District Judge,
Hathras.

From,

Zaiba Majid
Addl. District Judge,
Hathras.

Respected Sir,

It is most humbly submitted that I have been appointed as A.D.J. direct recruits from the bar (U.P. H.J.S. 2018 Part 1) and currently posted at Hathras District Court. It is humbly stated that my father is 76 years old and resides at Ghaziabad. My father is a heart patient and a stent has already been inserted in his heart's valves and he is also patient of hypertension and coronary artery disease- P.T.C.A. because of this he needs advanced cardiac treatment and as per advice of cardiologist he has to regularly visit the hospital for cardiac medication (certificate attached).

My father had also gone through both knees replacement out of which one was unsuccessful, which rendered him unable to walk properly. He is also having cervical spine pain issue and as per advice of orthopedic surgeon he has to take physiotherapy sessions along with oral medication. The physiotherapy advised is advanced laser therapy this facility is available in AIIMS and Fortis Hospital Noida. But this technique of therapy is not available either in Ghaziabad or at Hathras. Besides this he is also having other medical issues.

My mother is an aged person who is also having health related issues due to which she also needs constant medical treatment and has to visit doctor regularly. There is no one in the family who can take their proper care and remain available in case of medical urgency/emergency. I have to accompany my father for his medical treatment which can not be done due to my posting at Hathras.

Therefore, it is humbly requested that in these circumstances, this representation regarding posting at a station near to my native place, may kindly be placed before the Hon'ble court in order to consider the same sympathetically.

Dated:-27-11-2020

(Zaiba Majid)
Addl. District Judge,
