

PATIENT NAME :	MR NOOR MOHD KHAN		
REGISTRATION NO	002158144	IPD NO :	DLIP00407753

ADVICE

- Patient is advised to report in OPD II (RC Building) for stitch removal on 10/09/2020 between 3 PM and 4 PM and also to see DR Ramji Mehrotra in OPD between 4 - 6 PM on the same day after confirming the booking. Unless advised specifically, patients are not required to report fasting for the stitch removal.
- For queries after operation, you may contact 09818797566 (not for appointment). *24x7*
 For queries related to appointment at 1147135000 & 1147135001.
 Regular aseptic dressing
- The patient is advised rest for three months.
- The patient is advised to undergo Comprehensive Cardiac Check-up (CCC) approximately three months after surgery. It is suggested that a prior booking be made for a mutually convenient day. On the appointed day, Comprehensive Cardiac Checkup patient should come fasting (NOT EVEN A CUP OF TEA) and report to OPD-I counter at 0830 AM. The charges for the checkup may vary between Rs 2000 & Rs 5000 depending on the tests advised by the doctor. To review the results of Comprehensive Cardiac Clinic with prior appointment.
- Patient is advised to visit Physiotherapy OPD at Rehabilitation Center - Ground Floor (Between 3:30PM & 4:30PM) on 10/09/2020. It is important to start the exercise programme under the guidance and supervision of a Physiotherapist.
- In case of any pending report please collect it from Report Room, ground floor in Rehabilitation Building.
