**Subject: Regarding premature transfer on the basis of medical ground.**

Respected Sir.

It is respectfully submitted that I have been posted in District Maharajganj in this year general transfers. Previously I was posted at Bulandshahar where I have been suffering from back pain resulted due to **Prolapsed Intervertebral Disc (PIVD)**. In the beginning I was getting treatment locally at Bulandshahar but the ailment touched its severity and got aggravated in such a way that I was referred to higher center situated at Ghaziabad, on the advice of Orthopedic Specialist. As per the advice of doctors the treatment may take some more time or it may lead to the surgery also.

Since I am posted about 900 kms far from NCR and home district Meerut, frequent visits for treatment to Ghaziabad will cause hardship. Long journey will aggravate the ailment and pain. Disturbance in treatment and frequent journey may worsen my health condition. I am too far from Ghaziabad from where I was availing treatment, now a days I am not getting treatment properly therefore my pain and ailment is getting aggravated day by day.

So I am compelled by the circumstances to pray Hon'ble Court for premature transfer to any District nearby NCR. It is humbly prayed that kindly place my representation before Hon'ble Court for kind consideration.

With Utmost Regards.
