Respected sir,

Kindly refer to Hon'ble High Court Circular Letter No.24/admin(Services)/2021 Dated September 24, 2021.

Most humbly and respectfully I have to submit that my daughter km.Siddhi Srivastava aged 13 years is studying in class 9th in S.J.S. Public School at Raebareli and next year she will face her Board examination for class 10th. My son Shubhang is also studying in the same school in class 2nd. My husband Mr. Gaurav Srivastava is Zonal manager in a private company posted at Lucknow.

For continuation of education of my daughter from class 9th to class 10th /High school Board she needs to study in the same school. She will suffer a lot if I am transferred.Hence most humbly I request for over stay for only one year at present place of posting(Raebareli). Application for staying transfer 2022 in prescribed proforma and my daughter's school certificate is being enclosed here with.

I request your kindness to kindly place my request before the Hon'ble Court for kind consideration. I shall be highly obliged.

With profound regards!

Yours Faithfully,
