Subject- Application regarding transfer of applicant from district Gonda to District Lucknow or District Barabanki due to poor health condition.

Respected Sir,

With deep reverence and profound veneration, it is humbly submitted that applicant is presently posted as Additional District and Sessions Judge/Special Judge POCSO Act, Gonda and completed about two and a half years of service in Gonda district. The applicant is suffering with the problem of slipped disc along with diabetes and high blood pressure. Earlier applicant was taking medical treatment and advise from District Hospital Gonda. In light of my critical health condition and medical facility available in Gonda, doctor has referred the applicant to Sanjay Gandhi Postgraduate Institute of Medical Science, Lucknow for advanced and better treatment.

It is further humbly submitted that It will be very inconvenient for the applicant to travel regularly to Sanjay Gandhi Postgraduate Institute of Medical Science (SGPGI) Lucknow with bad health condition. Treatment in Sanjay Gandhi Postgraduate Institute of Medical Science (SGPGI) needs regular check up and follow up with frequent visit. The distance of Lucknow for Gonda is approx is 120 kms and it is not possible for the applicant to travel regularly for eight hours (to and fro) for medical treatment with critical health condition.

Therefore, with folded hand it is most humbly prayed that kindly place my application before the Hon'ble Court, and his lordship be kind enough to consider to my premature transfer from Gonda to Lucknow or Barabanki district on the critical health ground of the applicant.

For this act of your kindness, I shall ever pray.

With sincer regards.

Sincerely

Chandra Mohan Chaturvedi
