Subject : Representation regarding stay in Lucknow in forthcoming annual transfer.

Hon'ble Sir,

With respect to above mentioned subject this is to bring to kind consideration of your goodself that applicant is presently posted as Additional District and Sessions Judge, Lucknow and his transfer is due in forthcoming annual transfer in the year 2021-22. In this reference applicant most humbly submitted that he has an ailing mother and father namely **Smt.Kewali Devi aged about 74 years and Sri Ram Kumar Bhartiya aged about 78 years** who resides with me. My mother is seriously ill and suffers from chronic liver disease HBV cirrhosis and her liver is damaged more than 85% and due to this she is also facing heart and neuro problem and her treatment has been going on, in SGPGIMS, Lucknow since 2007. Doctor has advised her HBV, DNA, CT scan and Fibroscan test which shows thickening of liver and some tumors are seen in USG which may be cancerous in nature. My father who had suffered a heart attack in March 2021 following which an angiography was done in SGPGIMS Lucknow which shows all the three arteries are blocked following which angioplasty was done. Doctor has advised him a Bypass surgery after he stabilizes. They have been recommended regular follow up and close monitoring as SGPGIMS, Lucknow.

 1.....

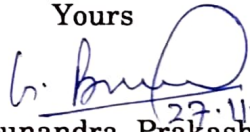

Owing to their old age and critical condition it is highly perilous to move them to any other place as they could also be infected in this ongoing current situation of pandemic Covid-19.

Hon'ble sir in view of critical medical condition of applicant's parents, it is most humbly requested to your goodself that kindly consider my circumstances sympathetically and place my representation with recommendation before Hon'ble Court for their kind perusal and consideration with regard to his stay in Lucknow in annual transfer on humanitarian ground, applicant shall remain obliged forever for this kindness.
