Subject: Regarding overstay at the station after due year of transfer.

Respected Sir,

It is to be submitted respectfully that I have been posted at Bulandshahr District in year 2019 and my transfer is due in forthcoming annual transfers. In this regard I have to pray that my mother, aged about 65 Years, resides with me.

During second wave of Covid-19 pandemic, my mother severely suffered from Covid. Apart from this, I have lost two of my family members in the pandemic. This covid infection and mental trauma aggravated her previous heart disease along with knee ailment.

In the beginning she was getting treatment locally but the ailment touched its severity and got aggravated in such a way that she was referred to higher center, on the advice of heart Specialist. As per advice of the doctors the treatment may take some more time or it may lead to the surgery also.

Since my old mother, residing with me, is getting treatment for which I will have to visit Delhi frequently with my mother for probable heart surgery followed by mandatory knee replacement, transfer may cause interruption in treatment of ailment. Disturbance in treatment caused by transfer may worsen my old mother's health condition.

So, I am compelled by the circumstances to pray Hon'ble Court for overstay at Bulandshahr District for coming year. It is humbly prayed that kindly place my representation before Hon'ble Court for kind consideration.

With utmost Regards
