

To,
The Registrar,
Services,
Hon'ble High Court of Judicature at Allahabad

From,
Anujaya Krishna
Civil Judge (Junior Division),
Barabanki

Through: The Respected District Judge,
Barabanki

Subject: Representation regarding stay in Barabanki District

Respected Sir,

With reference to the above noted subject, myself, Anujaya Krishna, humbly submits that I am currently posted as Civil Judge (Junior Division), Barabanki and my transfer is due next year. My father passed away due to COVID-19 complications last year, leading to a major upheaval in our family. My mother, Dr. Anupama Srivastava has not been keeping well since then and is still coming to terms with the loss. It is humbly submitted that she suffers from an auto-immune condition, *lichen planus*, and was also recently diagnosed with dengue and her platelet and LFT indicators were worrisome (some of her medical reports are attached herewith for your kind perusal). My only brother is eleven years younger to me and still studying. It is humbly submitted that I would be grateful if allowed to stay at my current station (Barabanki) to be able to manage things better being closer to home and enable my mother to cope with the loss better. I humbly request my case to be considered on medical grounds of my mother and on the aforementioned compassionate grounds.

It is humbly requested that my representation be placed before the Hon'ble Court for kind consideration.

I shall be immensely grateful.

Thanking you,

Yours faithfully,

Anujaya Krishna
Civil Judge (J.D.),
Barabanki

Date: 28.11.2022

Encl. Dengue, blood test, LFT reports of my mother
