Subject:- Representation for stay during Annual Transfer 2023.

Respected Sir,

With utmost reverence this is to be kindly stated that I am posted at District Saharanpur as Additional Civil Judge (J.D.) III vide notification No- 1306/Admin (Services)2022 . I will be completing my tenure of three years at my present place of posting. My Annual transfer is due in 2023.

Sir, I kindly wish to emphasize here that right now I am in family way with my first child and my delivery is due in December 2022. Consequently, I will avail my Maternity leave from December 2022 for a period of 26 weeks, When my transfer is due, I will still be a new mother with an infant and it will create extreme hardship to me to move alone with my child to new posting place.

Keeping in view my professional commitment, I am willing to work instead of taking further leave, As at District Saharanpur, I have the assistance of my husband who is based in Saharanpur. I don't have any other family member who can take care of me and my child except my husband. My circumstances are such that, If i be allowed to stay at same station for one more year it will not only fulfill my personal needs but also help me in giving my best professional output. I am hopeful that Hon'ble High Court will consider my request sympathetically giving consideration to a new mother.

I request you to place this representation before Hon'ble High court for kind consideration.

I will be obliged for life with gratitude.

Date:- 28/11/2022.

Your sincerely

Nisha Ali
