Subject - Regarding Stay at District & Sessions Court, Agra on the ground of spouse
posted at Agra as per C.L. No.-12/Admin (Services)/2022, dated September 26,
2022.

Sir,

It is submitted with utmost regard that I, Gyanendra Tripathi, is working as Additional District and Sessions Judge/ Secretary DLSA, Agra. As per the annual transfer policy, my transfer is impending in the year 2023. My wife Dr. Madhulika Tripathi is presently posted as Labour Enforcement Officer in the District Agra under the U.P. state services. As per the applicable annual transfer policy of the U.P. state, merely 20% employees are annually transferred and the priority is given for the longest staying employee at a particular posting place. Accordingly transfer of my wife is expected in year 2024. We have a 10 year old son and a 4 year old daughter and both require keen attention and care from us. We both are in job and in case of my transfer to some other place, our family will have to face grave hardships and problems. I apprehend that it will adversely affect my individual, social and family life.

Therefore, I most respectfully request your good office to place my application before Hon'ble Court for allowing me to stay at my present place of posting at Agra. In case my stay application is not allowed for Agra then kindly consider following stations for my posting- Bijnor, Bareilly, Sitapur, Unnao, Jhansi and Faizabad.

With regards.
