### NOTE :

1. This admission is only for online course. Through this admission only online classes will be provided and there is no provision for offline( physical classroom) classes through this admission. Shifting from online batch to offline batch later will not be allowed in any case. Study material will be available in PDF format in app and also we will send hard copy through courier at your registered address. Test papers and monthly current affair's magazine will be provided in soft copy format through our app.
2. The dates of the batches mentioned above are tentative dates and they may get extended by a week or two, or even more than that in very extraordinary circumstances. In cases of force majeure (earthquake, epidemic, endemic, pandemic, flood, illness of teacher etc.,) the commencement of the course may get delayed by a few months also. The students have to confirm the actual date of commencement of the batch from the office, a week before the dates given above.
3. In every time slot, normally ( not always) there will be two parallel classes of approximately 1:30-2:00 hours each with a break in between. The duration of classes may be increased also.
4. The live classes can be streamed through Android Phone/ Tablet, iPhone/iPad, and Window's laptops only. It will not be streamed on MacBook.
5. The recorded lectures (VODs) will remain there, for 7 days only(It can be played only one time in VOD).
6. The institute will not be responsible for non-completion of the course if a student has been irregular to the online classes (on whatever account). Irregular students will not be allowed to repeat the classes in the subsequent batches.
7. All payments have to be made online or through NEFT in favour of Rahul's IAS. No cash payment will be accepted.
8. The institute shall not be responsible/liable in any manner for non completion of the course in stipulated time if it becomes unable to complete due to any FORCE MAJEURE EVENT (earthquake, epidemic, endemic, pandemic, flood, illness of teacher, some technical problems, etc.,).
9. The teachers of the various subjects may be changed if required.
10. The course duration is approximately 2 years & it may get extended further 4-5 months on reasonable grounds. The students of online batches shall/may be required to attend one or two big subjects in another batch to effectively complete the course.
11. Amount once paid is neither refundable nor adjustable. Any disputes are subject to jurisdiction of the Delhi courts only.

This is a system generated invoice no signature is required.
