Subject: Application for Stay

Respected Sir,

I respectfully submit that my husband Dr.Dhirendra Vikram Singh is currently employed as Resource Person in Centre for Post Graduate Legal Studies at Babasaheb Bhimrao Ambedkar University, Lucknow. My mother in law is suffering from *cervicobrachialgia*, who is at present undergoing treatment by Dr.Sandeep K. Garg, Orthopaedic Surgeon at Nirala Nagar, Lucknow (medical reports are attached herewith). She needs regular treatment and therapy for atleast one more year, as per Doctor's recommendation, so that she is able to walk properly and pursue her daily needs. My daughter is 3+ years old, who is too young to take care of her. I and my husband together take care of our little daughter and my mother-in-law who is suffering from major orthopaedic issue in her spine. At present we live together at Barabanki and it is very easy to reach Lucknow incase my mother-in-law faces any medical emergency. If I am transferred to some other far away district, then it will be very difficult for me to foster my baby girl and take care of my old aged and sick mother-in-law,without the company of my husband. At present she needs attention and care of both of us, while she is suffering from major health issue. Moreover,if I am transferred to other district, there will noone living with me in any sort of emergency.

Having regard to the above circumstances, it is my humble respect to kindly extend me stay for one year at District Barabanki,as it will be convenient for me to discharge my official duties more efficiently and effectively along with the fulfillment of my family responsibilities.

I shall be highly obliged.

Sincer Regards!
