

Certificate No. - CCAW/2022/DG/1064

Date: 07.10.2022

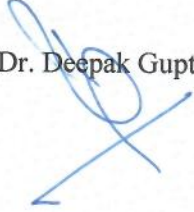

To whomsoever it may concern

This is to certify that **Shaambhav Pratap Singh** s/o Mr. Rohit Singh (father) DOB 17.10.2012 was assessed by me on 06th October 2022 and has been diagnosed with **Aspergers features, Learning Difficulties and features of Attention Deficit Hyper Active Disorder (ADHD)**

Children with these symptoms need regular support from parents. Therefore, it is suggested that both the parents (mother and father) should accompany him constantly that might help him to overcome with the disorder. He needs regular psychological therapy moreover treatment with highly skilled professionals. Child is advised for regular therapies in Delhi at our Centre **Centre for Child and Adolescent Well-being (CCAW)**. If his father Mr. Rohit Singh get transfer in Delhi / NCR from an existing place will help Shaambhav to avail therapies which may give fruitful result in future.

If there are any other further queries, please do not hesitate to contact me.
