Subject- In re withdrawal of Premature transfer application.

Respected Sir,

With all humility at my command, It is most respectfully submitted that I have been transferred to Rampur in the month of April, 2021 and I have applied for premature transfer from Rampur through transfer I.d No. T00003602021 (old case Id no. 590) but due to some personal reasons I do not want to press upon the premature transfer application.

It is therefore most respectfully prayed that the Hon'ble Court may kindly be pleased to not press the premature transfer application for which I shall remain grateful.

Yours faithfully

(Deepti Yadav)
