**Subject:** Representation for premature transfer from the present place of posting i.e. district Faizabad.

Respected Sir,

With reference to the captioned subject it is most humbly and respectfully submitted that the undersigned is presently posted as Addl. Civil Judge Senior Division at Faizabad district since 14.04.2021.

Sir, my mother aged 73 is suffering from Dementia, anxiety and forgetfulness for last six years ever since my father's sudden demise due to cardiac arrest. Since then I look after her. She suffers from panic and anxiety attacks frequently. She is undergoing treatment at Moradabad soon after onset of symptoms. The distance from Moradabad to Faizabad is around 500 km. As the treatment requires counseling sessions alongwith medications, it renders difficult for me to regularly visit doctor from such a long distance. She lives alone with me here in Faizabad. Because of that she doesn't get the kind of emotional and phychological support here as required given her health condition.

Sir, very recently, on March 1 this year, my sister's husband aged 40 has died due to heart attack. He has left behind my sister and two children (aged 7 years amd 13 years). She lives in Moradabad district and education of her children is also going on in Moradabad only. On death of her husband she is observing Iddat. In this difficult period of grief and sorrow they need emotional and other kind of support. I am to look after her and her children.

In the above backdrop, the undersigned most humbly prays that my premature transfer to any nearby district to my home district Moradabad may kindly be considered. The undersigned will always remain highly obliged.

With utmost regards.
