Subject: Representation regarding pre-marriage transfer.

Respected Sir,

With utmost respect I would like to most humbly state that currently I along with my wife, Dr. (Smt.) Ganga Sharma, P.D. No. (UP/2486) are posted at district Fatehpur. My wife got posted in this Judgeship in July 2022 by way of annual transfer and I got transferred here in the month of April 2023 on spouse ground from Chaker, Mirzapur. Sir, here I would like to bring your kind attention to the fact that recently I came to know that my paternal uncle (Tavji) along with his family have shifted their residence from Kauri Dehat to Fatehpur, and are currently renovating their long abandoned house for residential purposes and are planning to settle down in Fatehpur. My uncle has previously resided in Fatehpur long ago while he was working as an

employee of Bank of Baroda, but after his retirement he along with his family shifted to our native village in Karpur Betla. We do not have any close social ties with them but since they fall under the category of close blood relations therefore I thought it proper to bring this fact to your knowledge, as it may hamper my work as Judicial officer in the district.

Therefore, I would most humbly request you to transfer me and my wife to some other district as you deem proper.

Thanking you.

Yours sincerely

Ankur Chitravali
