

Respected Sir,

With utmost respect, I would like to apply for pre-mature transfer of me and my husband, Ankur Chitrani, D.D. - UP 2443 on the following grounds:-

- (1.) Firstly, that my husband, Ankur Chitrani, D.D. - U.P. 2443 has applied for his pre-mature transfer along with me on the grounds mentioned in his representation, the copy of which is annexed below.
- (2.) Secondly, In addition to the first ground, I would like to bring it to your knowledge that I have filed representation against the Annual Confidential remark (ACR) given by the District Judge for the year 2022-23 wherein I have specifically complained about his mis-conduct and ill-treatment towards me and my husband, and have called for enquiry with respect to that matter, but despite repeated requests made by me for forwarding my representation, it has not been forwarded yet to the

Hon'ble Administrative Judge. I have also filed a separate request letter to the Hon'ble Administrative Judge, Patelpur to direct him for forwarding my representation.

In the abovementioned scenario, I am not at all feeling safe and comfortable while working in the Patelpur Judgeship under his supervision and control. I feel a constant threat to the safety and security of me and my husband here.

(3) Thirdly, me and my husband have not been provided with a safe residential accommodation as per our entitlement, regarding which repeated communications have been made on our part to the appropriate authorities which have not been addressed yet, resulting in constant threat to our life and well-being while residing in the house allotted to us.

Therefore, on the above mentioned grounds, I would like to request you to kindly

consider my pre-mature transfer request for transferring me and my husband to any other station as you may deem fit.

Regards.

yours Sincerely

~~Ganga Sharma~~
