**Subject-Regarding premature Transfer**

**Sir,**

It is humbly requested that the applicant and her husband Vikash Kumar are presently posted as Spl. Judge Sc/St Deoria and Addl. Principal Judge Family Court Deoria, respectively.

It is further to add that my elder daughter Nandini Singh is presently in class XI CBSE Board. In District Deoria and its periphery there is no such standard of school for class XI-XII, imparting career oriented education in PCB stream. Hence we as parents are unable to provide proper education to their ward.

It is further to add that my younger daughter was born after a gap of 13 years after my first daughter. My blood group is AB negative which is rare of the rarest and on her birth I had to undergo my breast lump surgery and recently gallbladder surgery. Due to which I am facing health problems.

It is further to add that applicants belongs to District Baghapat, which is Approximately 1,000 km away from their present place of posting.

It is further to add that applicants have parental/ancestral farming/house in their village and except the applicants none is there to look after the same. My Father & Mother-in-law are no more. Consequently applicants are facing problems of efficient management of their ancestral house and as well as properties.

It is therefore humbly requested to consider the problems of applicants sympathetically and may please to transfer the applicants from District Deoria to any other nearby District of Baghapat or any suitable place so that we may take care of our health, family and properties.

**With Regards**
