Subject: Regarding stay in District Chitrakoot.

Respected Sir,

With most high esteem and sincere gratitude it is humbly requested that my family presently resides at District Fatehpur. My father is an old aged person of 87 years of age and is suffering from several age related deceases. My wife is serving as Government Teacher at Fatehpur District and my children are studying in class VIII and IV respectively at Fatehpur. I am the only person to look after and take care of my family.

Under above circumstance, I humbly request that Hon'ble Court may kindly be pleased to consider my stay at present station Chitrakoot. I further request that if Hon'ble Court may not find it appropriate to approve my prayer for Stay at Chitrakoot, then I humbly beseech the benevolence of the Hon'ble Court to consider my case compassionately and kindly to post me at any station nearby to District Fatehpur such as Raibareilly, Lucknow, or any other Station which Hon'ble Court finds proper as per my request. I shall be extremely grateful for the kind consideration of my prayer.

It is humbly requested that my humble prayer may kindly be placed before the Hon'ble Court for kind consideration.

With profound regard.

Yours faithfully
