Allahabad.

Subject: In regard to Premature Transfer.

Respected Sir,

This is to most humbly submit to your goodselves that in annual transfer 2023 vide notification dated 28.4.2023 of High Court of Judicature of Allahabad having notification No. 1192/ Admin.(Services)/2023 I got transferred from District Chandauli to District Meerut as an Additional Civil Judge (Jr. Div.) and in the respectful compliance of notification I took charge as an Additional Civil Judge (Jr. Div.) on 01.05.2023 at District Meerut. Through vide notification No. 2684/Admin. (Services)/2023, dated 18.11.2023 I have taken charge as Judicial Magistrate 1st Class at District Meerut.

I respectfully submit that I am married to Shri Aman Srivastava who is currently posted as Deputy Branch Manager at Veerampur Branch, Union Bank of India, District Bhadoi and my in-laws lives in Prayagraj. My mother-in-law is suffering from Disc Prolapse (Slipped Disc) since June and she is not in condition to walk or sit for longer period of time. Doctor has advised her complete bed rest. My father in law is a retired Chief Manager from Bank of Baroda and he himself is suffering from high blood pressure. I am herewith enclosing my marriage certificate alongwith medical certificate of my mother in law. District Meerut is very far from my husband's posting place i.e, District Bhadoi and also it takes overnight journey to reach Prayagraj. I tried my best to manage in this one year, however, the conditions are not so favorouble. It has become difficult for me to visit my husband and in-laws frequently when required.

It is, therefore, requested with all humility to kindly place the request of the undersigned before the Hon'ble Court for kind consideration and transferring the undersigned either to District Bhadoi or in some nearby District to Bhadoi so that the undersigned would be able to reside with her husband and take care of her in laws. I shall remain higly obliged forever.

With Regards.

Thanking You,

(Shipra Singh-I)
Judicial Magistrate 1st Class
Court No. 3
