Subject:- Representation for transfer to any district which is in close proximity to Lucknow.

Respected Sir,

This has reference to the above mentioned subject in this regard I, the undersigned would like to apprise your very kind self that I am currently deployed at District and Sessions Judgeship, Jalaun at Orai, Outlying court of Konch vide your notification number-1275/Admin (Services)/2023,dated 28th April,2023.

By this notification I have been transferred from district Barabanki to district Jalaun at Orai which is approximately 290 k.m. and is far from district Lucknow where my only parent resides and is employed in Sachivalaya Lucknow as Review Officer.

With due reverence it is further stated that my mother is a Hypertension and Diabetic patient. My father passed away in the year 2021 due to COVID-19 and since then the health of my mother has deteriorated further. She has been keeping unwell from quite some time now. As a result, she needs to be taken to the doctor for regular checkups every now and then and also needs constant medical assistance.

My mother lives alone and there is nobody in my house to take care. I am also a divorcee so it is in difficult for both of us to manage the daily affairs of our life with such long distance.

My mother is a single parent and I am her only child. We both are the support pillars of each other. There is no one to take care of her except me.

Sir, my mother is not well and needs proper medical as well as personal attention, which is not possible with such a long distance posting of myself.

Therefore, in view of what has been stated above it is my humble request to you to kindly transfer me to a region/district which is in close proximity to Lucknow, so that we both may not be deprived of love affection and medical assistance and something tilts me that my request would not go unheard.

For this act of kindness I shall ever pray.

Thanking you,

Yours sincerely,
Umaima Shahnawaz,
Civil Judge (J.D.) Konch,
