Respected Sir

Subject: Application for premature transfer from Bahraich on the ground of the medical condition of my paralytic mother.

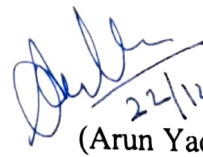

With due regards, it is most humbly submitted that I have been posted at Bahraich since 28.04.2023 and I am currently serving as Civil Judge(Jr. Div) FTC(Crime against Women), Bahraich. My spouse Ameey Bhashini (JO Code UP3290), is at present serving as Civil Judge (Jr. Div.) Bahraich.

It is most humbly submitted before your goodself that my mother Smt. Champa Yadav aged about 60 years, had suffered from paralytic attack and stroke in 2018 and again in August of 2023. Due to recurrent episodes of stroke and paralytic attack my mother is completely bedridden and is in constant need of frequent visits to hospital and good medical care. The documents with respect to my mother's medical treatment are enclosed with this application for kind perusal of your good self. It is my humble submission that my father is a retired senior citizen and I am the only earning son in the family. At present my mother is undergoing treatment for her condition at Aligarh, Uttar Pradesh, which is approximately 600km away from Bahraich. It is further submitted that, there is no direct mode of train connectivity between Bahraich and Aligarh and journey via road from Bahraich to Aligarh takes approximately 11 hours. It is my humble submission that, for the above-mentioned reasons my current posting at Bahraich is posing great hardship before myself in discharging my familial duties. In addition to this I am a father to a five months young baby boy (documents enclosed) due to which it is even more difficult for me to manage frequent visits to Aligarh for medical treatment of my bedridden mother while leaving behind my spouse and newborn child alone in Bahraich. It is for the aforesaid reasons that my current place of posting at Bahraich is causing me a great deal of mental distress.

It is my humble request that I and my spouse. Ameey Bhashini(JO CODE UP3290), be kindly transferred to a place in close proximity to District Aligarh, Uttar Pradesh so that I may be able to cater to medical needs of my bedridden mother.

It is humbly prayed that my representation for premature transfer from Bahraich to a place in close proximity to District Aligarh be placed before Hon'ble High Court to be considered on ground of medical condition of my paralytic mother.

With Regards.
