Subject:-Premature Transfer

Sir,

With reference to above noted subject I humbly submit as under.

1.After completing three years as Additional District Judge at district headquarter Bagpat in the year 2023 I was transferred to district headquarter Ballia in the annual chain in the same rank and joined over there as such.My husband Shri Krishna Kumar Singh,who is also an Additional District Judge posted at Bagpat,was transferred to Balia in the same chain and assumed charge of his office.

2.After assuming charge at Balia both I and my husband had represented for premature transfer from Balia to any other station near Delhi on medical ground of my father who is a heart patient and had undergone bye pass surgery at All India Institute of Medical Sciences at New Delhi and Hon'ble Court was kind enough to consider our request and transferred us to district headquarter Firozabad in May,2023 where upon we assumed the charge of our respective office as Additional Principal Judge,Family Court and since then we are working there.

3.That medical condition of father after bye pass surgery is not good rather his health is deteriorating as a result of which I have to take him to All India Institute of Medical Sciences very often wherein lot of time is consumed as distance between district headquarter Firozabad and All India Institue of Medical Sciences,New Delhi is more than 250 kilometres.It causes great inconvenience and mental stress also on account of which not only my health is deteriorating but education of my children is also badly suffering.

4.Looking to medical condition of my father and difficulties faced by me and my family pursuing his treatment,it is required to get me along with my husband Shri Krishna Kumar Singh transferred to any station near New Delhi.

5.I,therefore,request you kindly to move the Hon'ble Court to consider my request and transfer me along with my husband Shri Krishna Kumar Singh to any other station near New Delhi.I shall remain highly obliged for the same.

With kind regards
