**Sub: Request for Transfer on the grounds of marriage**

With due respect, the undersigned requests you to kindly consider request for transfer of my services from Shahjahanpur to any of the following locations i) Gautambuddh Nagar, ii) Ghaziabad, iii) Bagpat, iv) Bulandshahr, v) Meerut and vi) Hapur.

My wife, Mrs. Vidushi Shukla is working as an Associate Counsel with Cadbury's since 24<sup>th</sup> February 2020 and she is deployed at Baddi, Himachal Pradesh and supporting Cadbury sales branch office located at Gurgaon. We got married on 22<sup>nd</sup> April 2023 and we are looking forward to an effective family planning and strengthening our family bond in the initial years of marriage.

Considering the above, I hereby would like to request your esteemed self to transfer my services to any of the above locations, as my wife is working closer to these places. My wife is working as an Associate Counsel with a private organization and her organization doesn't have any opportunity in and around Shahjahanpur. Please find attached herewith the details of my wife's employment and our marriage photographs for your perusal, marked as Annexure-1 and Annexure-2 respectively.

This change in place will enable me to discharge my duties more efficiently and more peace of mind. I hope my request for transfer will be considered favorably.

Regards,

Abhishek Kumar-I
