Subject : Request cum Representation regarding Premature Transfer

Respected Sir,

With utmost humbleness, I have to submit that, I have been transferred to Mahoba from Ayodhya Judgship in the Annual chain transfer of 2022 and is currently serving as Chief Judicial Magistrate, Mahoba from 18.11.2023.

Sir, most respectfully , I want to bring it to your kind notice that since year 2017 I have been suffering from **Ankylosing Spondylitis** also known as axial spondyloarthritis. It is an inflammatory disease that from last 6 years has been consistently causing fusion in the spine and its bones. The fusion has made my spine very less flexible and has resultantly affected the ribs. It has adversely affected my body posture and I often find hard to stand straight or sit for long hours. My posture is consistently bending and is now like hunched posture. My medical report also show that I have been diagnosed and **tested positive** for **HLA-B27**.

Sir, it is to further state that due to my deteriorating medical condition it is very difficult for me to perform judicial functions effectively. As in District Mahoba there is no adequate medical facilities and medical professionals (physiotherapy specialist) and thus I find extreme difficulty in managing the proper medical treatment. Currently I am undergoing medical treatment at Indian Spinal Injuries Centre, New Delhi and consulting Dr. P.D.Rath for my effective treatment. The distance from Mahoba to Delhi is about 560 kms and thus it is very difficult for me to manage my medical treatment.

Therefore Sir, it is my most humble request that if you may kindly consider my deteriorating medical condition and reconsider my place of posting to stations like GautamBudh Nagar, Baghpat, Meerut, Hapur or Muzaffar Nagar as at such places there would be adequate medical facilities, physiotherapy centre for effective treatment. Scanned copy of medical papers and reports are attached with the application for your kind perusal.

Kindly place my request before the Hon'ble Court for reconsideration by their Lordships. For this act of kindness, I shall ever be obliged to you.

Regards,

Yours Sincerely

Sanjiv Kumar Tripathi,

Chief Judicial Magistrate, Mahoba
