SUB: Regarding Premature Transfer

Respected sir,

With utmost regards I most humbly submit, that I have been transferred from Sitapur to Ambedkar Nagar in the Annual Transfer 2024. Presently my daughter Neha Singh is persuing BA.LLB. at IIM, Rohtak, Haryana and is in sixth semester. This is the first time she is residing so far away from her parents. Due to this reason she is overwhelmed by loneliness and insecurity. Being in sixth semester she is at a crucial stage of her studies and needs guidance and security. The distance between Rohtak and Ambedkar Nagar is around 830 kms and there is no direct train between the two places. In these circumstances it is difficult for me and my daughter to visit each other.

My posting at any place nearby Rohtak like Baghpat, Shamli, Saharanpur, Muzaffar Nagar etc. will give a boost and motivation as well as emotional security in her studies. In these circumstances, I am most humbly pray for my posting at any place nearby Rohtak from where we can visit each other whenever required.

Due to aforesaid reasons, it is most humbly requested that your goodself may kindly present my representation before Honourable Court for sympathetic consideration.
With utmost regards,

Date: 29.4.2024

Yours sincerely
