

From,

Arun Singh Rathour

Nyayaadhikari Gram Nyayalya,

Gola, Lakhimpur Kheri.

To,

The Registrar General

High Court of Judicature at,

Allahabad.

Through,

The District Judge,

Lakhimpur Kheri.

Subject – Representation regarding request for considering early transfer of the undersigned from the court of Nyayadhikari Gram Nyayalya, Gola Lakhimpur Kheri in support of my earlier Representation for pre-mature transfer due to my mother's medical condition.

Respected Sir,

With due reverence, it is most humbly submitted that as per Not_No_1300/Admin. (Services) 2024, the applicant has been posted as Nyayadhikari, Gram Nyayalaya, Gola (Lakhimpur Kheri) as on April 13, 2024. In compliance to the above order, the applicant has duly taken charge on 18.04.2024.

It is humbly submitted that **the applicant's father passed away in the year 2020** due to **bone marrow cancer** and the applicant is the eldest son in the family and all responsibilities have befallen upon him. **Applicant's mother**, who is currently around **70 years of age**, is facing constant health issues and is suffering from **severe osteoporosis** due to which **she is unable to walk properly** on her own and needs constant aid and support. Her ongoing treatment at PGI Chandigarh

requires regular therapy sessions as well as weekly checkups by the concerned doctor. The applicant's current place of posting i.e. Gram Nyayalaya, Gola, Lakhimpur Kheri is 502km away from the applicant's hometown, Saharanpur and there is no direct connectivity by rail or road between the two places which makes it extremely difficult for the applicant to look after his mother and to take her for her regular checkups.

It is humbly submitted that the applicant was earlier posted as Judicial Magistrate, Maharajganj which was very far away from applicant's hometown Saharanpur owing to which the applicant sought pre-mature transfer on medical grounds of his mother as a result of which the applicant has been transferred to Gola, Lakhimpur Kheri which is still extremely distant from his hometown. It is humbly submitted that the applicant's mother is extremely old and frail and has serious issues in her knees and requires constant medical care and attention but **the applicant's transfer from Maharajganj to Lakhimpur Kheri has failed to serve purpose as it still takes the applicant almost 13 hours to reach his hometown** and secondly, **the medical facility at Lakhimpur Kheri is not adequate enough** to provide necessary and efficient treatment to applicant's mother.

The applicant, therefore, most respectfully request your good self to kindly consider his request for an early transfer from this place to any other suitable place near his hometown. For this act of grace, the applicant shall remain highly obliged to you. It is therefore, humbly requested that respected sir may be kind enough to place my humble request before the Hon'ble court so that mercy can be done upon him.

With regards.

Yours sincerely,

Arun Singh Rathour
