**Subject - Representation against Annual Transfer 2024 due to my
daughter's Class 12 Board Examinations.**

Respected Sir,

Most humbly I wish to state that I am applying for consideration of my transfer from District Ayodhya to Lucknow. I further most humbly wish to state that while sending the application via official portal the option of Lucknow was not available so District Etawah was randomly chosen by me just to send the application and this is not the station I wish for.

I was working on the post of Special Secretary and Additional Legal Remembrancer in the Legislative Department; Government of Uttar Pradesh and I was transferred to the post of Additional District & Sessions Judge, Ayodhya vide Notification No – 778 dated 13.04.2024 issued by the Hon'ble High Court, Allahabad. In compliance of the aforesaid notification, I have taken charge in Ayodhya on 16.04.2024.

I, most respectfully wish to submit that my 17 years' old daughter Parisha Singh is studying in Class 12th in City Montessori School, Gomtinagar, Lucknow and she has to appear for the class 12th board examination in the month of February/March, 2025. On this basis, I had submitted an application requesting for my stay of transfer. I also want to bring to your kind notice that my husband, Mr. Shailendra Kumar Singh, Deputy Commissioner in the State Tax Department has been transferred from Lucknow to Etawah District in October,

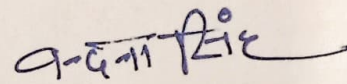

2023 and he is working there since then. I case of My transfer from Lucknow to Ayodhya, neither parent would be there to take care of our minor daughter. In this Crucial Situation, my transfer from Lucknow would adversely affect my daughter's board exams and her career. My daughter also has to appear for CLAT exam in December, 2024, which is very important from the perspective of her career. It would be in her best interest of I stayed with her this year.

Therefore, it is humbly and most sincerely requested to the Hon'ble High Court to kindly consider my Crucial family situation and the future of my minor daughter and to please graciously reconsider my transfer and post me anywhere as you may please in Lucknow District, so that in addition to my official duties with full dedication, I may also fulfil the obligation of being a mother. I Shall be highly obliged.

Thanking You.

Sincerely,

(Vandana Singh)
