Subject: Regarding premature transfer on medical grounds of the dependants.

Respected Sir,

Most respectfully submitted that the applicant joined the service on 14.11.2019 at district Pratapgarh (Grade C). In the annual transfer 2023-24, in April 2023 the humble applicant got transferred to the district Hathras (Grade C), wherein she immediately joined on 01.05.2023. The allotted district is not under any of the options provided by the applicant at the time of the annual transfer. Since, then one year has elapsed, residing at a rented house alone, no one else is there to look after the applicant. The district is completely lacking medical facilities, having no satisfactory and proper medical resource available. No government accommodation available

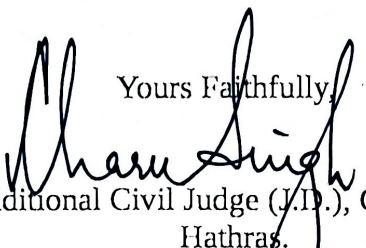

Parents of the applicant are of very old age. Father is a retired (2002) Judicial Officer aged about 82 years and mother house maker aged about 79 years. Parents living in Lucknow for the medical treatment of mentally ill younger brother Pawan Kumar Singh suffering from acute schizophrenia. Parents are alone there looking after themselves and brother at this very old stage. Other siblings of the applicant includes three elder sisters, all married and living out of the town. The applicant is the sole care taker of her old parents and mentally ill brother who is totally unable to look after himself. In case of any exigencies and emergency and for regular check; ups, the applicant has to rush immediately and frequently from such a distant place. Most of the trains according to the Court hours are available from nearby district Aligarh. It is very tough for the applicant to manage alone in such a district in such hardships. The humble applicant is pitied and pleads for mercy of the Hon'ble.

Therefore, in view of the above circumstances, it is humbly prayed to the Hon'ble that considering the old age of my parents and mentally ill brother for their proper care and treatment, the Hon'ble may kindly be pleased to transfer the applicant from Hathras to Lucknow, where required satisfactory medical recourse are available. The applicant shall be highly obliged and grateful.

Thanking You.

Regards!

Yours Faithfully,

Additional Civil Judge (J.D.), Court No. 1,
Hathras.
