Subject: Information to proceed legally in a personal case related to fraud and cheating

Respected Sir,

With utmost respect this is to inform you that the applicant is currently posted as Civil Judge (J.D.) (FTC), Pilibhit. The applicant got married to Ms. Sushma Rani on 26.05.2021 at Noida in a Hindu ceremony with limited number of family members restricted due to Covid 19. Ms. Sushma is a Doctor by profession specialized in Radiology and she is currently working as a Radiologist in Bareilly.

The applicant recently found out by Ms. Sushma's and her father's admission that before marrying the applicant, Ms. Sushma was already married to someone else and they have not dissolved their marriage in the Court of Law. On the applicant's and his father's humble query regarding decree of dissolution of marriage they are denying to show it. Therefore, by virtue of this, the applicant's marriage with Ms. Sushma has become null and void and the applicant and his family members have been defrauded and cheated by Ms. Sushma and her family members. It is also to inform that the applicant and Ms. Sushma do not have any children born out of wedlock.

The applicant is writing this to inform the Hon'ble High Court so that the Hon'ble High Court has prior information before the applicant proceeds legally in this case.

Yours truly,

Rahul Anand - III
