

Through E-Mail.

To,

The Registrar General.
Hon'ble High Court of Judicature
at Allahabad.

Through,

The Learned District Judge,
Pratapgarh.

Subject : Regarding Request for posting at Prayagraj/Allahabad District.

Most Respected Sir,

With utmost reverence, I am to say that representations have been invited for stay or premature transfer vide Hon'ble Court's Letter No. 247/Admin. (Services) 2024, Dated 25.04.2024. In response thereof, on the above mentioned subject, I am very humbly placing my request for premature transfer at Prayagraj/Allahabad District only, for sympathetic consideration/posting, on the following grounds:-

That my widow mother-in-law is around 72 years old and suffering from prolonged illness of Kidney disease since 1996. She has undergone Kidney Biopsy Test for the same at Sanjay Gandhi Post Graduate Institute Of Medical Sciences at Lucknow. She is still under constant supervision and treatment at the said Institute (photo copy of present Doctor's prescription and Kidney Biopsy Report are enclosed herewith).

That in addition to the above, I am also to submit that my husband is the only son of my widow mother-in-law. He is working as Deputy Registrar, High Court of Judicature at Allahabad which is a non-transferable job. Government Order No. 19/01/1976 Karmik-1 dated 05.01.1976 provides that if husband and wife both are in Government service, then they should be posted together as far as possible.

That, it is also submitted that my only son is around 6 years old, who, at this tender age, constantly needs mother's care and support as well as care & attention of the whole family for his holistic growth. At present, he is a student of Class-I, studying at St. Joseph's College, Prayagraj/Allahabad (Copy of School ID Card enclosed). The presence of my husband with us will be of a great help, both physically and mentally.

Keeping in view the above facts and circumstances, my posting at only Prayagraj/Allahabad District is very essential, because posting at any other station may cause irreparable loss to me and my family. The copies of relevant medical papers etc.

are enclosed herewith for kind perusal of the Hon'ble Court.

In view of the above elucidated facts, I humbly request that my representation be put up before the Hon'ble Court and I humbly entreat Hon'ble court to sympathetically consider my request for posting at Allahabad District only.

For this act of kindness, I shall forever remain thankful & obliged to you.

Encl: As above.

Dated : 21.05.2024.

Yours faithfully,

(Sunita Singh Nagore),
Addl. District & Sessions Judge,
Pratapgarh.

NAME	: PUSHLATA SINGH	AGE: 45 yrs.	SEX: F
HOSPITAL REGISTRATION NO:	: S. G. P. G. I. M. S. 194920	WARD: NEPHRO A	BED: 13
REFERRED BY SPECIMEN	: DR. A. GUPTA : KIDNEY BX	PAYMENT:	
RECEIVED ON	: 22/05/97	LAB NO.: 1630/97	

PATHOLOGICAL EXAMINATION REPORT

GROSS:

Two linear tissue pieces, larger measuring 1.2 cm in length. Both embedded.

MICROSCOPIC:

The renal biopsy shows 30 glomeruli displaying mild segmental increase in mesangial matrix and cellularity. Two glomeruli show sclerotic segments with synechiae formation. Occasional foci of tubular atrophy and some collections of interstitial foam cells are present. The blood vessels appear largely unremarkable.

DIAGNOSIS : FOCAL SEGMENTAL GLOMERULOSCLEROSIS.
