Respected Sir,
 With all reverence, it is submitted to your goodself that my father has suffered a brain stroke (ISCHAEMIC CVA (Right Basal Ganglia Infarct) on 06.12.2023 causing him left sided hemiplegia. He was admitted in the Nova Hospital, Lucknow on the same day. Thereafter, he had to be shifted to ICON Hospital, Lucknow on 07.12.2023. He remained admitted in the ICON hospital till 12.12.2023. Due to the brain stroke the left side of my father is not working, he is completely bed ridden. In addition to that, it is submitted that my father has already been suffering from hypertension, diabetes, osteoarthritis, spondylitis and prostrate diseases. The aforementioned co-morbidities have made his position quite sensitive. Looking at the present situation of my father, doctors have advised that he will take a considerable time to be able to recover from this medical condition and have emphasized on the fact that he requires specialized treatment, continuous monitoring and continuous nursing. My father is under treatment for the said diseases in District- Lucknow as the desired medical treatment could be provided there. I am currently posted in District- Azamgarh and it is not possible for me to provide the desired treatment to my father in District- Azamgarh. I am the only son of my parents. My parents are totally dependent upon me. I am the only person to look after my ailing father. In compliance of the Hon'ble Court's Letter No. 94/Admin.(Services)/2024; Dated: February 19, 2024, I presented my father before the Chief Medical Officer, Lucknow. The Chief Medical Officer, Lucknow has mentioned in his medical assessment report that disease of my father is mentioned at paragraph No. III of Annexure I of the said letter and the treatment of my father is possible in any big city with multispecialty hospital of tertiary level care. Furthermore, he has observed that my father is undergoing treatment in District- Lucknow. That the disability certificate of my father is also annexed herewith, wherein it is mentioned that he suffers from 65% permanent locomotor disability. In light of the above facts and circumstances it is most humbly requested to your goodself to compassionately consider my aforementioned circumstances and if in light thereof, your goodself deems it fit then it is most humbly prayed to your goodself to may kindly be pleased to transfer me to the District- Lucknow, so that I am able to discharge my professional as well as personal duties with utmost commitments. I shall always be highly grateful to your goodself. Submitted with utmost regards for yours goodself's kind consideration.

Number & age of children alongwith places where they are receiving education N/A
