

Critical Care

Name: Mrs. Pushpa Pandey

Gender: F

Doctor: Dr Dilip D./Dr Sandeep M/Dr Vipul

UHID: ML10272145

DOB: 15 Aug 1956  
(68 years)

Date: 21 Mar 2024

Department of Radiology -

MOB XRAY CHEST

**Radiology Report**  
ML10272145

**X-RAY CHEST (AP VIEW) {21.03.2024}**

**FINDINGS:**

Chest leads artefacts are noted.

Aortic knuckle calcification is noted.

Right CP angle is blunted with haziness in lower zones---- ? Pleural effusion/thickening with underlying collapse/consolidation.

Left CP angle is obscured.

Cardiac size and contours could not be commented upon (supine xray).

No evidence of mediastinal shift is seen.

Rest of the lungs are clear.

*Please correlate clinically*
