obstruction with cecal volvulus with intestinal obstruction'. The problem couldn't be managed through medicine. The surgery was major and critical owing to his health condition. In addition to the brain stroke, my father has already been suffering from hypertension, diabetes, osteoarthritis, spondylitis and prostate diseases.

3- That, but as there was no other treatment option he had to be operated on 08/07/2024. Laparoscopic Right Hemicolectomy with Cholecystectomy was performed on him on 08/07/2024 in Max Super Speciality Hospital, Lucknow. After the surgery he was discharged from the hospital on 15/07/2024. Post discharge his health condition kept on deteriorating.

- He suffered from hypovolemic shock on 18/07/2024.
- He had to be admitted again to the hospital on 19/07/2024 for F/U/C/ of Laproscopic Right Hemicolectomy with cholecystectomy with hypokalemia with intestinal paresis. He was discharged on 23/07/2024.
- He had to be admitted again to the Hospital on 02/08/2024 as his health was not improving. His stomach was distended. He was not able to eat anything, His body was severely dehydrated. He was discharged on 13/08/2024 with following future plan 1. Endocrine consultation for persistent hypokalemia. 2. Cardiology consultaion for CAD. 3. Neurology consultation for carotid artery stenosis.

4- That, today, when I am writing this representation he is totally bed ridden. His mental condition is also not good. His treatment requires the involvement of multiple medical faculties.

5- That, my father is under treatment in District- Lucknow. The desired treatment can be provided in District- Lucknow as his health condition requires

multispecialty hospitals of tertiary level care. Looking at the present situation of my father, doctors have suggested that he will take a considerable time to be able to recover from this medical condition and have emphasized on the fact that he requires specialized treatment, continuous monitoring and continuous nursing.

6- That, I am currently posted in District- Azamgarh and it is not possible for me to provide the desired treatment to my father in District- Azamgarh. I am the only son of my parents. I have one elder sister. My parents are totally dependent upon me. I am the only person to look after my ailing father.

7- That, In compliance of the Hon'ble Court's Letter No. 73/Admin.(Services)/2024; Dated: February 08, 2024, I am submitting the letter issued by the Chief Medical Officer, Lucknow stating the diseases my father is suffering from. The Chief Medical Officer, Lucknow has mentioned in his medical assessment report that disease of my father is mentioned at paragraph No. III of Annexure I of of the Hon'ble Court's Letter No. 94/Admin.(Services)/2024; Dated: February 19, 2024 and the treatment of my father is possible only in a big city with multispecialty hospital of tertiary level care. Furthermore, he has observed that my father is undergoing treatment in Lucknow.

8- That, including me there are four members in my family-

- Father- Mr. Mohammad Mustafa Khan,- Disable and bed ridden.
- Mother- Mrs. Mumtaz Mustafa Khan, Homemaker
- Unmarried Sister- Ms. Nikhat Mustafa Khan not working.

All of them are totally dependent upon me.

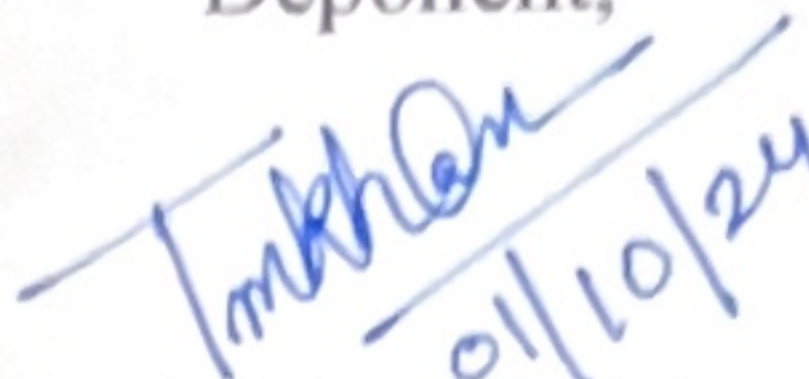

09- That, in light of the above facts and circumstances it is most humbly requested to your goodself to compassionately consider my aforementioned circumstances and if in light thereof your goodself deems it fit then it is most humbly prayed to your goodself to may kindly be pleased to transfer me to the District- Lucknow or any district in vicinity of it, so that I shall be able to discharge his professional as
