The Registrar General  
Hon'ble High Court of Judicature  
at Allahabad.

Subject:- **Regarding Stay in Annual Transfer.**

Respected Sir,

With due respect it is hereby submitted that on 10 September 2017, due to **sudden loss of vision** in my left eye I was diagnosed with major **Retinal Detachment**. It was treated as medical emergency and I had to undergo **immediate surgery (Vitrectomy+Endolaser+Silicon oil) on 13 September 2017**. In consequence of major surgery and due to some complications again I had to undergo **two surgeries again**. **Thus since 2017 I was forced to undergo--**

**-- 3 eye surgeries (within last two years)**

**(a) 13 September, 2017**

**(b) 20 March, 2018**

**(d) 06 September, 2019**

Due to major Retinal Detachment in the left eye Doctor's have advised me **short periodical examination of both eyes as left eye being already affected there is a strong apprehension/possibility of other right eye being affected**.

Further, work involving jerks, journies, heavy lifting work, is strictly prohibited. **I am under constant observation and treatment with SGPGI Lucknow** and other Super Speciality Eye Hospital in Lucknow and the **situation has still not settled down** as yet. Expert/Specialised treatment of Retina/Eyes is available in **SGPGI Lucknow** and other Super Speciality Eye Hospital in Lucknow.

It is, therefore, humbly prayed that considering serious condition of my eyes, prayer for stay be placed before the Hon'ble Court. I shall be highly obliged.

With utmost regards.

Yours faithfully

(Neetu Pathak,)
