Subject: Regarding choice of districts for annual transfer

Respected Sir,

With reference to C.I. No. 23/Admin. (Services)/2019, Dated: September 23, 2019, the applicant wants to state that her annual transfer is due on completion of three years in January 2020. The applicant wants to choose the following four districts- **Barabanki, Raebareli, Sitapur and Hardoi** in order of preference for the annual transfer. The reason for choosing the above mentioned districts is that the applicant's baby is just nine months old and her husband is doing job in Lucknow. The applicant and her baby stays alone at the station. The private maid looks after the baby. In case of any urgent situation, there is no family member available to look after the baby except the applicant. In case the applicant is transferred to some far away district, it will cause grave inconvenience to the applicant and her baby. The applicant needs transfer to the above-mentioned any of the districts as they are nearby to Lucknow, where in case of any urgency the applicant's husband can reach and can take care of the baby. The applicant humbly request you to kindly transfer her at any of the above chosen districts.

The online proforma regarding annual transfer duly filled-in is hereby submitted for the kind perusal of the Honourable High Court.

Sincere Regards!

Dated: 14/11/2019

Yours faithfully,
Harkiran Kaur
