**Subject:- Regarding Request for the stay of annual transfer of the applicant.**

Respected Sir,

This is most humbly submitted that presently I am posted in Sitapur as Civil Judge (SD)/FTC and my husband Mr. Nishant Saurabh Rao is working as Assistant Professor in Baba Saheb Bhim Rao Ambedkar Law College, Lucknow which is affiliated to University of Lucknow governed by State Government. My daughter is presently thirteen months old only and my husband is in Lucknow. So, being a mother I have to fulfill my motherly responsibilities as well as my judicial responsibilities. This year my annual transfer is due but since my daughter is only thirteen months old and my husband is in Lucknow which is adjacent to Sitapur, it would be very difficult for me to move from one place to another. As far as transfer in the next year is considered my child would be around two and a half years till next year and it will be more convenient for me to shift from one place to another.

Therefore, I humbly request you to kindly allow my stay of transfer this year so that I will be able to fulfill my parental as well as judicial duties. I shall be highly obliged of your goodself to kindly place my stay of transfer application before the Hon'ble Court for kind consideration.

With Regards

Dated:- 23.11.2020

Yours Faithfully
