**Through,**

**Letter No.** /2020 **Dated: Ghazipur: November ,2020**

**Subject: Regarding Pre-mature Transfer**

**Sir,**

With reference to the above captioned subject, it is most humbly submitted that I have joined this judgeship on dated 17-04-2019. At present I am suffering from heart disease for which I have got the treatment from Laxmi Pat Singhaniya Institute of Cardiology, Kanpur and from Medanta Heart Institute, Gurugaon, Haryana. At present, I am posted at Ghazipur judgeship and there is no proper health facility for treatment of heart disease is available whereas on regular basis my medical checkup is required.

It is also evident that in the wake of Corona pandemic, tackling of problem abovementioned has become more difficult to me for being posted at Ghazipur.

It is, therefore, requested to the Hon'ble Court, considering the mine critical health condition and present scenario of Corona pandemic, my representation may be considered sympathetically and allowed the same. If representation is allowed, I will not claim any T.A. bill.

With regards,

Sincerely Yours'

*(Vishnu Chandra Vaish)*
