Sub: Regarding Premature Transfer to lucknow on spouse ground.

Respected sir,

Most humbly, I request you to please be kind enough to place my request for premature Transfer before the Hon'ble High court.

With utmost regards and most humbly I submit that-

1. I am presently posted as Full Time Secretary, District Legal Services Authority, Mau.
2. My wife, smt. Vandana Kumari (Singh) is a banker and has been recently transferred to Lucknow and posted at **Central Bank of India, Jopling Road Branch, Lucknow**. Copy of the transfer & posting order is attached herewith.
3. My child is about 2 years old and lives with his mother (my wife).
4. My son is of tender ages and needs Parental Care.
5. **At present, since my wife is alone with our child in Lucknow, she is facing lots of difficulties in proper care, upbringing and parenting of our child which may hamper his development and growth. All these situations are weighing heavily upon me.**
6. Therefore I most humbly request that the Hon'ble Court may kindly consider my situation so that I may be transferred to and posted at Lucknow so as to enable me to fulfill my responsibilities as a father and help in care and upbringing of our 2 year old child and at the same time enable me to perform my Official duties without any anxieties/ Worries.
7. Sir, I shall always be grateful and obliged for your kind consideration of the facts mentioned above.
8. Submitted with deep, Sincere and utmost regards.

Yours Sincerely

Satyabir Singh
